

Are You Troubled With Dandruff?

Because you have attained a certain age it doesn't follow that your hair must naturally part company with you.

There isn't a single reason why you shouldn't retain a full, healthy head of hair until you have reached a ripe old age.

If your scalp itches, if your hair is dry and brittle and is beginning to get thin, there is something wrong. To remedy the disease is neither difficult nor expensive.

Use Rexall "93" Hair Tonic. It stops falling hair; once more sends the rich blood coursing under the scalp; destroys dandruff, and restores the hair to its natural color.

If Rexall "93" Hair Tonic doesn't do what we claim for it, return the empty bottle and have your money refunded.

Isn't that satisfactory treatment?

For sale at our store, only fifty cents.

A REASON

If you buy a Rexall remedy and are not entirely satisfied with it, all you need to do is to bring the empty bottle or package back to us and say: "I was not satisfied, please give me my money" and we will return the money to you instantly and cheerfully.

We feel that you are conferring an obligation upon us when you do this. We want to know every case that the Rexall remedies fail to cure. We want you to get your money back if the remedy has not done the work you expected it to do.

Can any principle of business be fairer than this? Is it not thoroughly in accord with President Roosevelt's doctrine of the square deal for every man?

The Doctor Talks

Now, Mrs. Brown, I want to impress on you the necessity of giving your children nothing but food which you know to be pure.

What do you care most about in the way of meats? Oysters? Well, that's all right, provided they are Sealshipt, but I should not advise you to risk any other kind. But the Sealshipt oysters are protected from contamination. They are packed at the beds in a sealed enamel case, with the ice outside. That keeps them free from dirt and germs. The ice we use is not always above suspicion, and I should not risk letting it touch any food.

"It's better to be sure than sorry," and with Sealshipt oysters you may be sure that you are getting absolutely pure food. They are easily digested, so let the children have them as they like.

But, remember, nothing but Sealshipt—you mustn't take chances with children's stomachs.
