SOCIAL EVENTS, MILDRED SUTTER.

Vacation is here—all you have to do is taste, taste, taste and chew, munch and masticate.

A young Junior who had been thinking so much of the advancement of his class makes all day that he was heard to say aloud in his sleep that night—"We are all mysteries even to ourselves."

No Junior is a scholar.  
They break their teacher's heart; ☐  
Surely they need spanking  
Just to make them smart.

No society last Friday but we'll have the paper held over for the time—if she finds it.

The pupils of Room 14 presented Miss Dewey with a handsome piece of cut glass and Mr. Marsh with a fountain pen last Friday. It is needless to say that they were muchly delighted.

Give the second team a little more practice; they're improving and will with time.

The R. H. S. Champs. will play Butler High school on Jan. 4, 1907. This will be a team worthy of their steel. Butler won the championship of the State last year and the team has nearly the same personnel. The Butler H. S. has defeated Pittsburg H. S. and a few other schools of the same merit. To all lovers of the sport, a good fast game is promised. Butler is well versed in the art of playing fast clean ball and the H. S. will give them a good clean game. The game will be played in the new skating rink which will be opened next Saturday. The team is out with the tickets now, and when you are asked to buy one don't say you will buy one later but buy it now so they will know how they are going to come out in expenses. The line up for the game will be as follows:

R. H. S.		Butler H. S.
L. Sykes	forward	Eisler
B. Sykes	forward	Dillion
Hoffman	center	Lapeam
Murray	guard	Klugler
Thornton	guard	Wright

Chas. Marsh, John Thornton, Law Sykes, Blair Sykes, Eugene Murray, Alex Gillespie and Bert Hoffman will leave for Bolivar on the 26th to play there and on the 27th to play at Johnstown. Johnstown H. S. is one of the fastest teams in the state.
