THE HEART CAN'T STAND RHEUMATIC ACID POISONING

To Free and Correct the Blood a URIC-O Treatment is Advised

There is great danger in those sharp, shooting pains throughout the body, especially around the region of the heart. It means that poisonous uric and rheumatic acids are there ready to grip tightly the muscles controlling this organ. Don't neglect these warnings, for they are the danger signals nature flashes to you for help. There is but one way to overcome this poisonous foe, and that is a thorough treatment with Smith's Specific Uric-O. If your system is filled with neuralgia, and if your blood and kidneys are diseased with rheumatic poison, there is no surer way on earth to get relief than through the use of Uric-O. Uric-O is a harmless liquid internal remedy, taken in small doses three times a day, and does not contain a drop of alcohol, opium, or other dangerous poisons. Uric-O is simply a cure for Sciatica, Muscular, Inflammatory and Articular Rheumatism. They all yield readily to Uric-O treatment. Your Druggist sells Uric-O at \$1.00 per bottle. If he does not keep the remedy, you can obtain the same by addressing the makers of Uric-O, the SMITH DRUG COMPANY, SYRACUSE, N. Y.

Uric-O is sold in Reynoldsville by the Stokes & Felcht Drug Co.

BEST OF ALL GIFTS.

A Remembrance that Renews Itself Every Week in the Year.

The best of all gifts is a remembrance that renews itself every week in the year and causes the recipient to be informed regarding things of interest, and what is there that you could buy for \$1.00 that would be a more acceptable Christmas gift than a year's subscription to THE STAR. In place of asking that ever-perplexing question, what shall I give, especially when the price must be moderate, resolve that you will send your friend THE STAR for one year and thus make it necessary for the friend to remember the giver every week of the year. Try it this year.

The Doctor Talks

Now, Mrs. Brown, I want to impress on you the necessity of giving your children nothing but food which you know to be pure.

What do you care most about in the way of meats? Oysters? Well, that's all right, provided they are Sealshipt, but I should not advise you to risk any other kind. But the Sealshipt oysters are protected from contamination. They are packed at the beds in a sealed enamel case, with the ice outside. That keeps them free from dirt and germs. The ice we use is not always above suspicion, and I should not risk letting it touch any food.

"It's better to be sure than sorry," and with Sealshipt oysters you may be sure that you are getting absolutely pure food. They are easily digested, so let the children have them as they like.

But, remember, nothing but Sealshipt—you mustn't take chances with children's stomachs.

A Few Timely Suggestions for Digestion After Your Christmas Dinner.

SHICK & WAGNER

—THE BIG STORE—

During the holiday rush of the past few weeks you have probably not taken time to consider your requirements for the coming winter. A Christmas dinner and a gift for your friend is all right, but we have other matters of just as great importance to think about. We certainly would fall short of modern living if we considered comfort and our happiness only for Xmas time.

The Big Store has just passed the most successful holiday season it has ever had. We feel that we would be neglecting our duty if we did not in some way or other show our appreciation of the good will and patronage of our customers. We believe also that The Big Store would fall short of being a modern store if we had to do the bulk of our merchandising all in a few weeks before Christmas. In other words we are not the kind of a store to sit down and fold our arms and say Xmas is past and we will take things easy.

From this standpoint of view we are offering you some very special inducements for the balance of the OLD YEAR. Beginning WEDNESDAY morning we will give you

Double Trading Stamps

We will give you 50c worth of Trading Stamps with every 25c purchase. We are also offering inducements in other ways. The rush of the past few weeks has left us with some broken lots, odds

and ends, etc. You will find many of these out on display tables at very attractive prices, on which you will get, in addition to the small price, DOUBLE TRADING STAMPS.

We mention just a few Inducements

We have room to mention only a few of the bargains we are offering:

- A few 25c and 50c Belts at 10c
- A few 25c Cushion Tops at 12 1-2c
- A few 50c Cushion Tops at 25c
- A few Waists at Half Price
- A few Mercerized Petticoats at Half Price
- A few Odds and Ends in Curtains at Half Price
- A few 25c, 35c and 40c Window Shades at Half Price

These are only a few things that we mention to give some idea. Look for price tickets on display tables.

Remember

Double Trading Stamps on all purchases, regardless of prices apply

Only for the balance of the Old Year.
