 Prices have advanced along almost every business line in the world save along the subscription price of a country newspaper. The majority of the readers of a country paper seem to think the publisher can get along on promises and criticism and at the same time contribute in cash and advertising to every charitable object presented to him. Now is the time to settle back subscription.—*Clearfield Republican*

 SOCIAL EVENTS, MILDRED SUTTER.

In a close and exciting game the R. H. S. basket ball team defeated the Independents in Evan's skating rink Christmas afternoon. The score was 20 to 12. It is a good thing the R. H. S. did win for it is the only game they won last week. The line up was:  
 R. H. S. Independents.  
 L. Sykes McEntire  
 B. Sykes Thornton  
 Hoffman Copping  
 Murray Harris  
 Thornton Adams  
 Clair for Copping.

The R. H. S. team was defeated in a game at Bolivar Wednesday night of last week. The Bolivar team was after scalps and they got ours. It was the first defeat of the season and it did not go down very good. It seemed strange to see a score of 17 to 7 in favor of Bolivar. This was Bolivar's best team and after the smoke of battle cleared away, and taking everything into consideration, we were satisfied with the score, although we think that on our floor or a neutral floor there would be a different tale to tell. The high school line-up was: Marsh, Sykes, Hoffman, Murray, and Thornton.

After the defeat at Bolivar the trimming at Johnstown Thursday evening by the ex-high school team did not shock us very much. The Johnstown team was the fastest team we have ever played against. Most of them were college players, one had played with State and another with Dickinson varsity teams. The floor was 116 feet long and 50 feet wide and a couple of our players got lost on the floor and before they were found the Johnstown team had run the score up so high we could not overcome it. The Reynoldsville line-up was: L. Sykes, B. Sykes, Hoffman, Marsh, J. H. Thornton. Murray for Law Sykes.

Butler team will play the R. H. S. team in Evan's skating rink Friday evening of this week. Be sure to see the R. H. S. battle with the champions of the state. This game will show whether we are able to get into fast company or not.

**GROOMING COUNTS**

But it cannot make a Fair Skin or a Glossy Coat.  
 Women with good complexions cannot be homely. Creams, lotions, washes and powders cannot make a fair skin. Every horseman knows that the satin coat of his thoroughbred comes from the animal's "all-right" condition. Let the horse get "off his feet" and his coat turns dull. Cursing, brushing and rubbing will give him a clean coat, but cannot produce the coveted smoothness and gloss of the horse's skin, which is his complexion. The Ladies will see the point.  
**Lane's Family Medicine**  
 Is the best preparation for ladies who desire a fair complexion and a glossy coat of hair.

**The Doctor Talks**

Now, Mrs. Brown, I want to impress on you the necessity of giving your children nothing but food which you know to be pure.  
 What do you care most about in the way of meats? Oysters? Well, that's all right, provided they are Sealshipt, but I should not advise you to risk any other kind. But the Sealshipt oysters are protected from contamination. They are packed at the beds in a sealed enamel case, with the ice outside. That keeps them free from dirt and germs. The ice we use is not always above suspicion, and I should not risk letting it touch any food.  
 "It's better to be sure than sorry," and with Sealshipt oysters you may be sure that you are getting absolutely pure food. They are easily digested, so let the children have them as they like.  
 But, remember, nothing but Sealshipt—you mustn't take chances with children's stomachs.

**RHEUMATISM CANNOT BE CURED UNLESS URIC-O IS USED**

**Sudden Deaths, Heart Failure and Paralysis Are Caused by Poisonous Uric and Rheumatic Acids.**

The disease whose cause is shrouded in mystery, the affliction that is said to be incurable, is commonly known as paralysis. Show us a person suffering with this disease, and you will find that at some time previous to the attack, the patient suffered from some form of Rheumatism. This dangerous disease should not be neglected, especially where there is a cure within such easy reach. We refer to Smith's Specific Uric-O, a harmless compound, free from alcohol and poison, and made to cure Rheumatism only. Uric-O acts with marvelous swiftness on the blood, muscles and kidneys, and cannot fail to remove all traces of poisonous Uric and Rheumatic acid from the system. Uric-O is not a cathartic, does not affect or distress the stomach, and is the only known liquid preparation that will relieve and permanently cure Rheumatism in its most distressing forms. We want all Rheumatic sufferers to test the merits of Uric-O, therefore by addressing the SMITH DRUG COMPANY, SYRACUSE, N. Y., a liberal size sample and circular will be sent free. Uric-O is sold by Druggists at \$1.00 per bottle, or will be sent direct upon receipt of price.

Uric-O is sold in Reynoldsville by the Stoke & Felcht Drug Co.
