The quintet from the "city of gas wells" went down in defeat before the local H. S. five at Evans' Rink last Friday evening. The first part of the game was close and exciting. At the end of the first half the score stood 14-9, in favor of the local five. The second half was different. The H. S. got their second wind and the way the points rolled up was certainly awful to the Kane boys. The shooting and all around work of the local five is improving rapidly. Kane is the champion team of McKean county and by defeating them it gives the local team the championship of another county. The line up:

R. H. S.—35 Kane H. S.—13.
Sykes Forward Pierotti
Gillespie Hunze, Pierotti
Hoffman Center P. Valermere
Murray Guard Dolphin
Thornton Guard Reed

Referee, Adams; timekeeper, Dr. Harry King. Time, two 20-minute halves.
The crowd enjoyed a nice skate after the game.

The Punxsutawney H. S. team, which is also the Y. M. C. A. team, plays here Monday, February 4. P. H. S. is a fast team, their expenses are small and we would like to have all the lovers of the sport come out and give us your hearty patronage.

The Tipping Nuisance.

The Missouri Legislature has passed a bill making it a misdemeanor to tip a waiter or Pullman porter. The penalty is a fine of not less than five dollars nor more than two hundred. The tipping business is getting to be a very decided nuisance. A man who travels must reckon on about 25 per cent. of his expenses in tips. If he doesn't tip the waiter at any of the leading hotels where he happens to take a meal, the whole force of colored gentlemen will give your waiter the laugh and put you down as a jay who doesn't understand the decencies of life. And the truth is that, in many places, waiters depend entirely on tips as payment for their services. This sort of graft is so profitable in some of the big hotels that a waiter actually pays for the privilege of working. He gets his compensation by "working" the guests. The average man doesn't want anybody to work for him for nothing and the possibility that the waiter is receiving no other wages makes you feel that you ought to tip him. It is a bad custom but it is doubtful if it can be cured by legislation, for the reason that a man ought to have the constitutional right to give his own money to whom he pleases.—Punxsutawney Spirit.

"I had run down in weight to 135 pounds, and coughing was constant, both by day and by night. Finally I began taking Dr. King's New Discovery, and continued this for about six months, when my cough and lung trouble was entirely gone and I was restored to my normal weight, 170 pounds." Thousands of persons are healed every year. Guaranteed at Stoke & Felcht Drug Co. stores, Reynoldsville and Sykesville. 50c and \$1.00. Trial bottle free.
