There is considerable agitation for and against the repeal of the Local Option Law which has been the cause of Brockwayville and Snyder township being "dry" for a long term of years. There are those in our midst who are inclined to believe that the community would be benefitted by a change in the local conditions, while there are others who are firm in the belief that the death knell of much that is moral in this locality would be sounded in granting license. The mattter is to be offered to the Legislature at the present term and the result will be watched

I Elson Smith in Arizona

We received a letter yesterday from J Elson Smith, of Prescottville, who is now in Arizona on a business trip. The letter was written at Globe, Arizona, Wednesday, January 23rd. Mr. Smith says: "The weather is fine here at present. A person can sit out doors in shirt sleeves until 7.00 p. m., same as in May or June at Reynoldsville. As we traveled along the road at noon to-day we saw cows lying under shade trees to get out of the hot sun. The roads are dusty in places."

The day Mr. Smith wrote the above letter, Wednesday of last week, it was 16 to 18 degrees below zero at Reynolds-

Mr. Smith says Globe has a popula tion of 10,000 and it is claimed that in the near future it will be one of the best mining camps in Arizona.

· A Play Worth While

It is doubtful if ever a play has been presented in Reynoldsville that gave more genuine satisfaction to audince than did "Quincy Adams Sawyer" Thursday evening last at Park Theatre. There was nothing of the sensational about the drama, nothing to offend the most fastidious taste. It was a picture of simple unaffected village life, over-flowing with sane, healthy humor, mixed with tender pathos and emotions of a deeper kind, that came very near to the hearts of the people. The company carries its own scenery and with its aid the audience was transported to the old days in New England-with its cross roads store, singing school, husking bees and quaint customs. From "Q. Adams Sawyer," who "came from Beston direct," to "Samanthy," the inimitably "aggravatin' brat" who worried the cantankerous old lady who was herself "jest put on earth to worry other people," the parts were well played. The audience manifested approval in a way that should encourage the management to meritorius as this one.

WEDDING IN BEECHWOODS.

John Elton Britton and Miss Retta M. Shriver The Happy Couple.

At 11.30 s. m. on Thursday, January 24, 1907, at the home of Mr. and Mrs. R. B. Shriver in Beechwoods, a beautiful wedding march was rendered by Mrs. G. H. Hill when Miss Retts M. Shriver and John Elton Britten were ushered into the parior by Miss Nora Shriver, sister of bride, and V. W. Britton, brother of the groom, and were united in marriage by Rev. G. H. Hill, pastor of the Beechwoods Presbyterian church. At 1.00 p. m., a sumptuous wedding feast was partaken of. The happy couple was brought to Reynoldsville in time to catch the 4.25 p. m. westbound train on P. R. R. to start on a ten day wedding trip to Pittsburg, Youngstown, Ohio, and Montreal, Canada. On their return they will reside at the Bratton homestead. The bride received a number of useful and very pretty presents.

Mr. Britton and bride come from the best families of Beechwoods. The bride is the eldest daughter of Mr. and Mrs. Shriver and is loved and highly esteemed by all her friends.

The gro.m is a son of Wm Britton. well known farmer of Beechwoods. He is an honest and industrious young man. The many friends of Mr. and Mrs. Britton wish them a long and prosperous journey through life.

An Old Resident Gone. Samuel Fye, an esteemed citizen of

Winslow township, died at his late residence on Saturday morning of last week, January 26th, after an illness of several weeks from a complication of diseases. He was born in Winslow township on the old homestead, July 24, 1837. He was always known as an upright and industrious man. He was the father of 14 children all of whom are living except one. He was twice married and is survived by his wife and thirteen sons and daughters. He was a kind and indulgent father and the most cordial relation existed between himself and his children. He was sociable and kind to all with whom he was brought into touch. For several years he was engaged in lumbering and later he devoted his time to farming and made it a success. He will be much missed in his family and in the community in which he lived for so many years. His funeral services were held at his late residence on Monday, Jan. 28th at 1 o'clock p. m. conducted by his old time and personal friend, Rev. J. E. Dean More than thirty years there existed between them the closest and the warmest ties of friendship and Rev. Dean spoke of his life and character as no other minister could. Rev. Dean preached a short sermon from Job 14: 14, in which he spoke tenderly and feelingly of life and death. Rev. Dean was assisted in the services by Rev. A. J. Meek. A large procession was formed which followed his remains to the Reynoldsville cemetery where the

interment was made. Mr. Fye seemed reconciled and expressed himself as ready to depart and be with Christ. He was baptized with his wife and one daughter in May. 1876, by Rev. Dean and for more than thirty years he has been a consistent member of the Reynoldsville Baptist church.

Immediately following the ceremony Mr. and Mrs. Hesselgesser took their departure on the 4.48 express, for Pittsburg and Butler. INTEREST NOT LAGGING.

Large Crowds Attending Evangelistic Meetings Every Night-This is The Last Week.

This is the third and last week of the union gospel meetings now being held in the Park Theatre under the directions of Dr. Arthur J. Smith, of New York, and Prof. Chester A. Harris, of Cleveland, Ohio. Dr. Smith is certainly a remarkable man in evangelistic work, well qualified for that line of work. The more the people hear him and the better they become acquainted with him the better they like him. He is thoroughly consecrated to the work of evangelization. Perhaps the best and most scholarly sermon he has preached here was his sermon Sunday morning. There is more personal work being done this week and more prayers offered than there has been any other week since the meetings began.

Prof. Harris and the large chorus choir are giving Dr. Smith splendid assistance in the work of winning people from the paths of sin into the religious life. Over 250 persons have already manifested a desire to forsake sin, join some church and live a christian life. Great things are expected in the remaining few nights of this meeting. A large number of men and women are under conviction, who have not yet made a step in the christian pathway, that will likely make a start befor the meetings close.

Thursday evening of last week Dr. Smith preached to a congregation of men in Centennial hall, subject; "Why Men Sin?" The same evening at same hour Mr J. M. Correy, Sec. of the DuBols Central Y. M. C. A., conducted a service in the Presbyterian church for women. Friday night a large audience attended the evangelistic meeting in Park Theatre.

Four meetings were held in Park Theatre Sunday. Preaching at 11.00 a. m., by Dr. Smith, meeting for young people at 3 00 p. m. Members of the Methodist Episcopal, Baptist and Presbyterian Sunday schools met in their respective churches and marched to Park Theatre for the three o'clock meeting. Men's prayer meeting at 6.30 and evangelistic service at 7.30. The building was crowded Sunday evening. There must have been about 1,400 people at that service, and a number were turned away who could not get seats. There will be services in the Park Theatre every evening this week except Saturday evening. There will be a meeting in the Presbyterian church this afternoon and on Thursday and Friday a two days christian convention will be held in the M. E. church. See program in this issue of THE STAR.

Monday evening a flash light photopraph was taken of the chorus choir, but it was a failure and another one will be taken this evening.

It Works Both Ways.

Many a woman goes out shopping dressed in silk and enveloped in perfume whose hard working husband hasn't had a new suit of clothes or a decent meal in five years. Yes, and many a loafer stands on the street with a stinking pipe in his face, his tank full of "booze" and his mouth full of profanity, whose hard working wife hasn't had a new dress or a kind word since she was married.-Ex.

The Franklin & Clearfield Railroad.

There has been a great deal of Brookville and the newspapers of surrounding towns as to the route that will be taken by the Franklin & Clearfield railroad through our town. But we can state positively that the route has not yet been fixed upon, and another thing that is almost as certain is, that after it has once been determined upon it will not be published to the world until they have secured all the right of way that it is possible to secure by an amicable agreement. The engineer, Mr. Atwood, who has charge of the engineer corps that will locate the line, has been in town for a little more than two weeks, looking over the different routes and getting the lay of the land, and at the present time with his corps is engaged in making a survey of the. different lines by which it is possible to. get through town. After these surveys, are completed they will be laid before the board of directors, who, with the advice of the chief engineer, Mr. Rockwell, will decide upon the route to be taken. So when anybody tells you which way the road is going, you are entitled to a guess also, and are just as liable to be correct as they are-Brookville Democrat.
