The DuBois high school basketball team will play the R. H. S. team at Evan's rink on Monday, February 18. DuBois put in the *Courier* a few days ago that they were unquestionably the fastest team around here, but we are from Missouri. This will be a hard contested battle and every one should come and see the game.

Irl Fuller and Harry Endress visited chapel Monday morning.

Well, the Senior class has completed plane geometry and as a whole the marks were very good.

There will be a special program on the 22nd. The Juniors will have an inter-class contest for the five dollar gold piece given away by the Daughters of the American Revolution. Their subject will be, "Why we were Victorious in the Revolutionary War."

Joanne, Lucille and Anna are able to be with us again. This makes the Senior class complete with the largest enrollment that has ever been in this school—seventeen.

Joe will explain everything.
