EDITOR IN-CHIEF, BERT A. HOFFMAN. CURRENT EVENTS, LENA HERPEL. SOCIAL EVENTS, ALDIE MEANS. JANE SMITH, FRESHMEN REPORTER

There will be a special program Friday, Feb. 22nd, to commemorate Washington's birthday. The annual essay contest will be held among the members of the Junior class. This program will be highly entertaining and everyone is invited to attend. The program will begin promptly at 1.45 p. m.

Mr. and Mrs. G. W. Lenkerd visited school last Wednesday morning. Mr. Lenkerd favored us with an excellent address which the students appreciated very much. He left with us the old ledger as an heirloom, the only thing which survived from the fire.

Girls' basket ball practice every Friday afternoon at Evans' skating rink from 5 to 6.

Wallace Mitchell sang a solo in chapel Friday morning. He also led the devotional exercises.

Three of the Junior boys came to school Thursday morning looking more sleepy than the girls who were out in the sleighing party. They would be pretty good watch dogs if they did not give up so soon.

No society last Friday on account of the special program being prepared for Washington's birthday, Feb. 22nd.

There has been quite a debate on in the Senior class. They cannot come to a conclusion whether the clock is broke or only needs fixing.

Some of the girls are looking for ready-made button-holes.

If you can talk from here to San Francisco over the telephone, how far can you talk across the room without being caught? This was a recent problem in physics.

The DuBois high school defeated the Reynoldsville H. S. Monday evening in one of the most disgusting games that was ever played here. The high school team wishes to apologize to the spectators for the rough playing, and also to thank them for their kind patronage. There is nothing to say for the game. Line up:

THE HEART CAN'T STAND RHEUMATIC ACID POISONING

To Free and Correct the Blood a URIC-O Treatment is Advised

There is great danger in those sharp, shooting pains throughout the body, especially around the region of the heart. It means that poisonous uric and rheumatic acids are there ready to grip tightly the muscles controlling this organ. Don't neglect these warnings, for they are the danger signals nature flashes to you for help. There is but one way to overcome this poisonous foe, and that is a thorough treatment with Smith's Specific URIC-O. If your system is filled with neuralgia, and if your blood and kidneys are diseased with rheumatic poison, there is no surer way on earth to get relief than through the use of URIC-O. URIC-O is a harmless liquid internal remedy, taken in small doses three times a day, and does not contain a drop of alcohol, opium, or other dangerous poisons. URIC-O is simply a cure for Sciatica, Muscular, Inflammatory and Articular Rheumatism. They all yield readily to URIC-O treatment. Your Druggist sells URIC-O at \$1.00 per bottle. If he does not keep the remedy, you can obtain the same by addressing the makers of URIC-O, THE SMITH DRUG COMPANY, SYRACUSE, N. Y.

URIC-O is sold in Reynoldsville by the Stoke & Felcht Drug Co.

Soldier.

Born to Mr. and Mrs. Fred Biggie a fine baby boy last Thursday evening.

George Allen, Jr., was hurt while at his work in the mines one day last week, but not seriously. Will probably be at his post in a few days.

Alex. Carney, a young boy of this place, was operated upon by Dr. McAllister at DuBois last Tuesday afternoon. He had been suffering with a tumor on the throat that had effected his hearing to a great extent. He is getting along nicely.

There was a birthday surprise party given for Amos Reiter Monday afternoon.

Daniel Varner, who has been ill for sometime, is able to be in his store again.

Wedding bells at Soldier soon. Don't you hear them ringing? How is it Mary?

A great many loads of ice were hauled from Soldier dam last week, and still continue this week.

Attraction is the Basis.

The purpose of store advertising is not merely to sell goods, but to sell more goods—to make friends, build up a patronage that will not only stick but grow. Newspapers reach the greatest number of people in the immediate vicinity in the most natural way, at the least expense, and they are therefore the best of all mediums for stores. In a newspaper you follow the lines of least resistance—you follow with the stream, you talk to the audience already assembled, to the people who want to read, their mental costume is right—they are on your wavelength—they won't ring off if you hold their interest.
