**HETRICK BURIED WEDNESDAY.**

James Ohls, Although Terribly Burned, Will Recover—Is in DuBois Hospital.  
 Mention was made in THE STAR last week that Homer Hetrick had been burned to death in a shanty at Camp Run about eleven o'clock Tuesday night, February 26, 1907, and that his "butty," James Ohls, narrowly escaped the same fate as Hetrick. Ohls was terribly burned. He was taken to DuBois Hospital Wednesday forenoon.

As stated last week the young men, whose parents reside near Emericikville, were "batching" in a shanty at Camp Run and working in the coal mine for Anita Coal Company. They had not worked for several days and had been at home of their parents. Tuesday afternoon they returned to Camp Run and worked in mine until ten o'clock Tuesday night. They got supper at shanty after quitting work and then retired, leaving a hot fire in the cook stove. About 11.15 Ohls awakened and found the shanty full of fire and smoke. He called for Hetrick to get up, but was so excited and confused did not know whether Hetrick had gotten out before him or not. There was two kegs of powder in the shanty and one keg exploded before Ohls got out and the other one exploded just after he got out of shanty. Hetrick's charred body was found near the window and it is supposed he was attempting to get out when the second keg of powder exploded near him and he was overcome. The boys were "batching" in part of an old planing mill, which was dry pine lumber, and it burned very rapidly. It is not known how the shanty caught fire, but likely from a hot coal dropping from stove.

Homer Hetrick would have been seventeen years old last Saturday, March 2nd. Was the son of George Hetrick. Funeral service was held in the Lutheran church at Emericikville Wednesday afternoon, conducted by Rev. J. W. Myers, of Reynoldsville. Interment was made in Emericikville Lutheran cemetery the same afternoon. Hughes & Fleming, of Reynoldsville, had charge of the funeral.

James Ohls, who is only eighteen years old, is the son of William Ohls. Both Hetrick and Ohls are highly spoken of.

**Basket Ball Affairs.**

The game of basket ball between the Brookville and Reynoldsville high school teams announced for last Friday night was cancelled and a new date—March 8th—made. The contest will take place in Evans skating rink at Reynoldsville.

The regular Reynoldsville team of basket ball players went to Falls Creek Wednesday evening of last week and had a lively argument with a five of that city. The score was 25 to 23 in favor of Reynoldsville and its closeness throughout made the game unusually exciting.

Brookville sent a delegation of athletes to Reynoldsville Thursday evening to contest for honors with the Reynoldsville basket ball team. They were all fair players individually but lacked team work, due to the fact that it was the first game in which they had ever played together. The game was even for five minutes but thereafter the boys from the county seat were merely lookers-on. The Reynoldsville players were sore from the previous night's contest at Falls Creek and there was no brilliant playing to shout over. Final score, Reynoldsville 51, Brookville 18.

**Fault Finder.**

Fault finding instead of commendations, bickerings and strife instead of sweet, happy companionship, is heard in many homes in other towns. Surely such conditions do not exist in any home in Reynoldsville. Come to think of it, there is a possibility that in a few homes in town such condition of unpleasantness might be found. Remember like produces like in the life elsewhere. This should be borne in mind and a constant effort made for brighter homes. Make the lives of others happy and you will be happier yourself.
