## GIBSON

Doctor of Optics

I will resume my OPTICAL WORK that was interrupted by illness in my family and hope to meet my old friends and many new ones. Old customers needing changes will oblige me by giving date of old work as I have on file almost SIX THOUSAND prescriptions filed in the order in which they were taken. All work will be re-presented. Owing to the dislike to the use of drugs and dark room in fitting new methods and instruments do not require them. The latest is the LUMINOUS RETINOSCOPE and ELECTRIC LAMP.

I will visit the American House, Brookville, March 29 and 30.

And Imperial Hotel, Reynoldsville, April 1.
