

## Bath Room Beauty

The secret of making your bath room beautiful is the installing of high-grade, modern plumbing fixtures. If your fixtures are old and unsanitary, a new "Standard" Porcelain Enameled bath or lavatory will work wonders in the appearance and sanitation of your bath room.

Decide now to change from the old to the new and let us quote you prices on these fixtures. They cost less than you imagine. We estimate at any time and guarantee all work to satisfy you. Repair jobs given prompt attention.

### A THRILLING TALE OF LOVE AND WAR.

#### A Great Novel by the Author of "Beside the Bonnie Brier Bush."

The man who fought more duels with fortune and suffered more variously and cruelly at the hands of destiny than any other of his time and nation, is the famous John Graham of Claverhouse, Scotland.

Never a woman but loved him and only one in all his wild career who could win from him a single answering throb of affection. In fact he was one of the most unusual, striking characters in history. Perhaps that is why Ian Macclaren has chosen him for the hero of one of the most striking, unusual novels ever written.

This novel is "Graham of Claverhouse." It is a story that carries the reader along by its tremendous power and unflagging interest, ever surprising him by a new and unexpected turn of plot, clever word picture or tense situation. Such a romance has not been written before during the present century.

The exclusive rights to publish "Graham of Claverhouse" in serial form before its issuance as a book has been secured by the *Pittsburg Dispatch*. The first installment will be printed Sunday, April 7th. Order early to avoid disappointment.

"Graham of Claverhouse" is twelfth of the famous \$150,000 series.

## MOTHERS READ THIS

DAUGHTER OF C. W. STUMP

Mrs. C. W. Stump of Canton, Ohio, writes: "I wish I could induce every mother who has a weak, sickly child to try that delicious cod liver preparation, Vinol. Our little daughter was pale, thin and sickly. We tried various medicines, but without any benefit whatever, and she could not take cod liver oil or emulsions, as they nauseated her and upset her stomach. Learning that Vinol contains all the medicinal and strength-creating properties of cod liver oil, but without the disagreeable oil, we decided to try it, and the results were marvelous, so quickly was she restored to health and strength. We have never sold a medicine equal to Vinol for delicate children. Stoke & Feicht Drug Co."

## THE BEAR IDEA

of feeding Teddy with good Ice Cream seems an enormity. It would be really letting it go to waste, but then our Ice Cream very often does "go to waste," and the ladies waists are the ones that get the most of it. No party or reception could be complete without each guest having a dish of our pure, delicious, and comforting Cream, which we make in a variety of flavors to suit all preferences. Every ingredient warranted.
