Golden Seal Booming.

Continued success marks the efforts of the organizers for the Order of the Golden Seal. New members are being added every day and without doubt we will soon see a large camp in fine working order in Reynoldsville. In assets per capita, which is the real test of strength of any insurance order, the Golden Seal is from two to ten times as strong as any similar order doing business. Under the New York state insurance laws, state supervision and protection is guaranteed to the policy holders. Similar Pennsylvania orders are licensed or incorporated to do business only through the action of a county judge, and there is no state supervision. Such orders are not allowed to do business in New York, Massachusetts and many other states having the best insurance laws. Under the lax and insufficient insurance laws of the state of Pennsylvania, upwards of fifty such concerns have sprung up in the various counties of the state. Just what will be their fate remains to be seen, and for the benefit of those who wish to make a comparison, we submit the following letter received from the insurance department at Harrisburg. We would also request those persons who were told that Pennsylvania would enact laws to prevent New York State insurance companies from doing business in Pennsylvania to note what Insurance Commissioner Martin has to say on this subject. Harrisburg letter:

PENNA INSURANCE DEPARTMENT,
Harrisburg, April 10, 1907.

KATHARINE MCINTYRE,
Imperial Hotel, Reynoldsville, Pa.

Dear Madam: I am in receipt of yours of the tenth instant and in reply beg to say that the legislature of Pennsylvania has no intention whatsoever of passing a law which would prevent insurance companies of New York state from transacting business in this state and any such stories is pure fabrication.

The Order of the Golden League is organized and authorized to transact business as a secret fraternal beneficial society.

In the certificate issued by these orders they do not agree to return any specified amount at the end of the distribution period, but only a sum not exceeding the amount specified in the contract, and there is nothing in the law at the present time that compels these societies to keep on hand any portion of the premium collected.

Its report at the close of the year 1906 shows:

Total Assets.....	\$755.72
Liabilities.....	\$50.00
Total Membership.....	279
The Golden Seal for the same date:	
Total Assets.....	\$762,767.75
Membership.....	25,054

Respectfully,
DAVID MARTIN,
Insurance Com.

With over three-quarters of a million dollars surplus, no liabilities, twenty-five thousand membership and over fifty thousand dollars business each month, the Golden Seal is an assured success. Why not join to-day?

Bitten by a Spider.

Through blood poisoning caused by a spider bit John Washington, of Bosqueville, Tex., would have lost his leg, which became a mass of running sores, had he not been persuaded to try Bucklen's Arnica Salve. He writes: "The first application relieved, and four boxes healed all the sores." Heals every sore, 25c. at Stoke & Feicht Drug Co. Reynoldsville and Sykesville.

Soldier.

Mrs. J. R. Smith has been visiting at Poxentawney.

Jacob Brady, one of our merchants, has closed his place of business.

The Soldier hall will be torn down and moved to another town, where its owner, Frank Marino, will use the lumber on the erection of a large store building.

A birthday surprise party was given Clarence Early one night last week. Thirty people were present and all report a good time.

Mr. and Mrs. Robert Cameron moved to Soldier Monday. A farewell party was given Mrs. Cameron by the ladies of Rathmel. Forty-nine were present, which shows how highly she is respected in that place. Mrs. Cameron is a very estimable lady and we gladly welcome the family here.

An entertainment was given in Soldier hall recently for the benefit of the junior base ball team of this place. They organized several weeks ago and are meeting regularly. Walter Crosswait has been elected manager. Soldier is also to have a first team.

The Price of Health.

"The price of health in a malarious district is just 25 cents; the cost of a box of Dr. King's New Life Pills," writes Ella Slayton, of Noland, Ark. New Life Pills cleanse gently and impart new life and vigor to the system. 25c. Satisfaction guaranteed at Stoke & Feicht Drug Co. Reynoldsville and Sykesville.

DIED IN PANAMA.

Frank Ritzie, brother of Charles Ritzie, the Victim of Malarial Fever.

By request we publish the following notice of the death of Frank Ritzie, brother of our townsman, Ex-Councilman Charles Ritzie, which was clipped from a Hubbard, Ohio, paper, where his mother and sister live:

"Mr. Ritzie went to Panama last May where he was engaged in business. He was last heard from in November, a letter being then received by his mother in Hubbard. Replies to his letter were returned unanswered and officials in Panama were notified, replying with the information that he had died of malarial fever in the Ancon hospital November 13th.

"The sadness of the death of Frank Ritzie, at Panama, this morning, came as a terrible shock to his aged mother, Mrs. Fannie Ritzie, and his sister, Mrs. John Kramer, both of Hubbard. The last letter received from him was in November, saying that he would return home for a visit as he was not in very good health. As replies to the letter were returned unanswered, the officials at Panama were notified and this morning the family received word that he had died from malarial fever at Ancon hospital, Panama, November 13th. Deceased was born north of Hubbard, attended school and high school here, graduating under Prof. Campbell. After finishing the course he went to Warren to school. After his school days were over he entered the employ of Mr. Brandmiller. For several years he was in the grocery business near Spring Common, this city. For eight years he served in the United States army. Last May he went to Panama where he was employed in business until his death. He was an extensive traveler, having visited all of the states of the union and almost all the foreign countries.

"Deceased was 40 years of age and unmarried. He was self-sacrificing, honest and admired and esteemed by all who knew him here and by his hosts of friends in Youngstown.

"Besides his aged mother, Mrs. Ritzie, his sister, Mrs. Kramer, three brothers, Charles, of Reynoldsville, Albert, of Cleveland, and August, of Youngstown, survive him. Arrangements are being made to have the remains brought to the cemetery at Hubbard if possible."

"Pneumonia's Deadly Work

Had so seriously effected my right lung," writes Mrs. Fannie Connor, of Rural Route 1, Georgetown, Tenn., "that I coughed continuously night and day and the neighbors prediction—consumption—seemed inevitable, until my husband brought home a bottle of Dr. King's New Discovery, which in my case proved to be the only real cough cure and restorer of weak, sore lungs." When all other remedies utterly fail, you may still win in the battle against lung and throat troubles with New Discovery, the real cure. Guaranteed by Stoke & Feicht Drug Co. Reynoldsville and Sykesville. 50c and \$1.00. Trial bottle free.
