## Good Address.

Rev. A. F. McGarrah, of Pittsburg, prother of our townsman, Dr. H. B. McGarrab, gave a very interesting talk before the Presbyterian Sunday school in this place Sunday morning and preached an able sermon in the Presbyterian church at 11.00 a. m. Rev. McGarrah recently returned from missionary work in the mining camps of California, and his account of some of the experiences in this work was intensely interesting. He is a pleasant and forceful speaker. Rev. McGarrah prepared himself for mission work in foreign lands, but while in the seminary his health failed and he had to abandon the foreign work.

## Why Not Let It Stand.

A large music stand was erested over the sidewalk in front of the City Hotel last week for the South Sharon Italian band to give concerts on during the band's two nights stay in Reynoldsville. Why not make a few improvements on the appearance of the stand, now that the decorations have been removed, and let it remain where it is during the summer for the Keystone band to give concerts on? This famous band will want to entertain our citizens occasionally during the pleasant weather and there is no suitable place for concerts. The band has to stand on the street. This stand would be a fine place for con certs. Then why tear it down?

Fred Wildauer was in Pittaburg last week and had a cataract removed from his right eye.

Collins, president of the American Silk Company says: "It will be the policy of the American Silk Co. to not only place the Reynoldsville mill in operation, but should there be sufficient help available within the

#### Baccalaureate Sermon.

The baccalaureate sermon for the Reynoldsville high school graduating class was preached in the Methodist Episcopal church Sunday evening by Mr. Camden M. Cobern, Ph. D., D. D., of the Allegheny College, of Meadville, Pa. It was a masterly sermon, full of force, eloquence and oratorical display. For forty-five minutes Dr. Cobern held the close attention of the large audience that filled the spacious auditorium and Sunday school room of the church. His text consisted of four words found in the 11th verse of the 53 chapter of Isaiah: "And shall be satisfied." His theme was "God's faith in man." It was certainly an able and well delivered sermon, giving undisputable evidence that Dr. Cobern is a brilliant man, who has traveled far and near. In his closing address to the graduating class he gave the following little poem:

"The world is old, but the heart is young And the sweetest songs are yet unsung: Earth's richest treasures yet unsought. Earth's bravest battles not yet fought. Look not on the past with a vain regret For the best things haven't happened yet.

## Expression of Appreciation.

To the Directors, Teachers, Pupils and

Citizens of Jefferson County: In closing my work as County Superintendent I desire to express my sincere thank and great appreciation of the uniform loyalty, co-operation, courtesy and good will shown me during the eleven years that I have served in this position. No one could be more loyally supported by directors, more earnestly assisted by teachers, more kindly received by pupils or more royally treated by citizens, while the press and the clergy have been a power in seconding my efforts. I acknowledge my debt of gratitude to the people of Jefferson county and regret that my work will take me away from the warm friend-

ships of past years. I will ever cherish the good will and kind regard shown me, and bespeak for my successor the same cordial support. REED B. TEITRICK.

## Inspiring and Thrilling Speaker.

Dr. A. B. Riker will lecture in the M. E. church at 8.15 Saturday evening, May 11, under the auspices of the Helping Hand Society. Subject: "The Mission of Culture."
