YOUTHS' SUITS.

YOUTH is well known to be very critical in the matter of clothing. This is as it should be. So, we see to it that the CLOTHCRAFT garments made for the younger men have the style, the fit, the finish which distinguish all CLOTHCRAFT offerings. These very stylish suits will appeal to the fancy of youth. Their durability will no less commend them. The coats have unbreakable fronts, concave shoulders; and closely-clinging collars, and are so cut as to outline properly the figure. \$8.00 to \$20.00.
