**Mens' and Boys' Fashionable Summer Clothes**

Men's suits made especially for us by the foremost maker in this country of men's clothes—Alfred Benjamin in New York. The details have all been looked after. We demand that each pocket be hung from the shoulder, that the front of every coat be stiffened with hair cloth and we get the style of the coat to suit us; have the lapels cut deep. These small details all show up in the set of a garment, which you can readily see if you try a MILLIREN coat on; compare it with the finest tailored suit at twice the cost.
