DAUGHTER OF C. W. STUMP

Mrs. C. W. Stump of Canton, Ohio, writes: "I wish I could induce every mother who has a weak, sickly child to try that delicious cod liver preparation, Vinol. Our little daughter was pale, thin and sickly. "We tried various medicines, but without any benefit whatever, and she could not take cod liver oil or emulsions, as they nauseated her and upset her stomach. "Learning that Vinol contains all the medicinal and strength-creating properties of cod liver oil, but without the disagreeable oil, we decided to try it, and the results were marvelous, so quickly was she restored to health and strength. "We have never sold a medicine equal to Vinol for delicate children. Stoke & Feicht Drug Co.

Rheumatism Badly Cripples a Baldwinsville Farmer

URIC-O QUICKLY CURED HIM

Treated Two Years with a High-Priced Physician with No Success

Mr. Frank Howe, a prominent farmer in the town of Van Buren, says: "I visited the best physician in this country, who treated me for about two years for rheumatism. I spent in that time several hundred dollars and seemed to grow worse instead of better each day. Being on crutches and forced to drive to the train and hobbling to the doctor's office became very discouraging, let alone the sleepless nights and fearful hours of pain. Being advised by a friend I purchased Smith's Uric-O prescription, took it home and used it that day as directed. Those fearful scathing pains left me, my blood seemed to let loose and flow freely, I felt different and knew the next morning I had found a cure, as I slept and rested well all that night, something I had not done before in two years. I used in all six bottles of Uric-O and have never felt a return of the disease, had no use for crutches or cane since the first day's treatment.

"I have since recommended Uric-O to hundreds of friends and acquaintances and in every instance it gave remarkable relief. To every person who suffers from Rheumatism I say, take Uric-O at once and your suffering will soon end."

FRANK HOWE, Baldwinsville, N.Y.

Anyone who doubts Mr. Howe's experience is invited to write him for further details. The manufacturers have so much confidence in the remedy that they will gladly give a large 75c bottle of Uric-O free to all Rheumatism sufferers who have never used it and are looking for a permanent, lasting cure for this most distressing disease. Address for free trial, Smith Drug Co., Syracuse, N. Y.

Uric-O is sold and recommended in Reynoldsville by Stoke & Feicht Drug Company.

SHORT TALKS BY L. T. COOPER.

INTERNAL PARASITES.

Cooper's New Discovery has taught me many things. Not least of which is that parasites or tape worms as they are called are responsible for an immense amount of suffering. Thousands of these creatures have been brought to me by people who have taken the New Discovery and know that an immense amount of supposed stomach trouble is caused in reality by one of these parasites. A man or woman may be afflicted in this manner for years and not realize the true cause of their suffering. When I first sold Cooper's New Discovery I did not know that the medicine would remove this trouble. I have since found that it invariably does so. The following letter is a fair sample of the symptoms as experienced by an individual thus affected:

"I was always tired. My stomach bloated and the slightest exertion made me sick, weak and dizzy. My appetite was variable and a good nights sleep was unknown to me. When I awoke in the mornings I had a bad taste in my mouth and a coated tongue. I heard of the wonderful benefits that were being derived from Cooper's New Discovery, and decided to try it."

"The horrible tape worm, sixty feet long that had been sapping my life away, passed from my system alive and squirming after I had taken three doses. Now I have a splendid appetite, every trace of stomach trouble has disappeared and my digestion is good. I sleep well and am gaining in strength every day." Bad Breath.

A well-known physician, who undoubtedly knows, declares that bad breath has broken off more matches than bad temper.

There are ardent lovers, who must sometimes wish their sweethearts presented sweeter mouths to be kissed. Good teeth cannot prevent bad breath when the stomach is disordered. The best cure for bad breath is a cleansing out of the body by use of

Lane's Family Medicine

the tonic laxative. This is a herb medicine, sold in 25c. and 50c. packages by druggists and it is saving more doctor's bills than any other medicine has ever saved. It cures headache, backache, indigestion, constipation and skin diseases.

Modern Home Plumbing

The sanitary equipment of the home is an all-important matter, as there is no other feature of the house which will afford as much comfort and be so conducive to perfect health as good plumbing.

It is well to keep in mind when building, the fact that yourself and family may be required to occupy the home for a long period without new plumbing being installed, therefore the few extra dollars expended to obtain the best will in reality be HEALTH ASSURANCE.

All of our plumbing contracts are executed by the best skilled mechanics, under our personal supervision and no detail, no matter how unimportant it may seem, escapes our attention.

We use the famous "Standard" Porcelain Enameled Plumbing Fixtures, which are the best made. By placing your work with us, you are assured of the best material and workmanship obtainable.
