### MORE FACTS ABOUT THE PROPOSED CHAIR FACTORY.

Reynoldsville has an Excellent Chance to Secure a Paying Industry and One which may Grow Rapidly.

Since the announcement two weeks ago of the possibility of securing a large chair factory for Reynoldsville in the near future, nothing has been done in the matter owing to the fact that Mr. Moudy, the owner of the plant, was busily engaged arranging for the Point View sale of real estate and did not wish the proposition presented for action until after the sale. The sale over, the matter will now be taken up in earnest and a determined effort made to interest local people. During the week beginning July 8th Mr. Moudy will return to Reynoldsville and a meeting with the citizens will be arranged.

Not for many years has a more favorable proposition been presented to local people than this of the chair factory. Manufacturing a staple line of goods for which there is constant and increasing demand, with field practically unlimited, an experienced manager at the head, a reputation already established and an abundance of the necessary hardwood in this and adjoining counties, the success of the plant is assured. As previously stated, the company has a fully equipped plant which was doing a prosperous business when a big railroad corporation began encroaching on their property. Litigation in court followed in which the factory people were partially successful, but appeals were repeatedly taken by the railroad and finally Mr. Moudy and his associates were compelled to surrender to the power of the millions behind the corporation. Operations were suspended and for some past the plant, with over \$18,000 worth of equipment has been standing idle. This is the situation to-day. All that Mr. Moudy asks to transfer the plant to Reynoldsville is that our people shall donate a free site and subscribe about \$12,000 for stock. When the plant was in operation in its present location, it earned over 8 per cent dividends and was severely handicapped in two ways. First they had to pay \$2.50 per ton for coal. The same fuel can be secured in Reynoldsville for about \$1.10 per ton, a saving of \$1.40 on every ton used, an immense item considering the yearly tonnage used. Secondly, they had but one railroad to ship out their product on and, as usually happens when there is no competition, the freight rates were exorbitant. It is not promised, but it is not too much to say that a plant which earned 8 per cent under such conditions could pay twice the amount with the reduced cost of production and shipping afforded by Reynoldsville.

Those who doubt should look into the case of the Union City chair factories. There were three plants there, starting small, and the industry became the life of the town. One mill alone employed over 200 hands when it burned down a short time ago. The employees were paid good wages and the stockholders were drawing 20 per cent dividends. When two of the plants were destroyed by fire, immediate arrangements were made for consolidating the companies and rebuilding on a larger scale than ever.

The proposition should also interest all persons having second-growth hardwood timber. The factory would use large quantities and persons interested in such timber would do well to communicate with Mr. Moudy.

From these facts, taken at random, the citizens of town may see what magnificent profit possibilities there are in this proposition and what exceptional opportunities for growth and consequent benefit to Reynoldsville as a town.

### AN EXCELLENT WOMAN GONE.

Mrs. Susanna Murphy, of Emerickville, Died at Norfolk, Va.

Mrs. Susanna Murphy, whose funeral occurred at Emerickville on Saturday, June 15th, was born February 15, 1823, in Ligonier Valley, Westmoreland Co., Pa. She was married to James Murphy when but 16 years old and three years later moved to Jefferson county and settled at Emerickville on the farm that was her home for 65 years. Her husband has been dead for thirty-two years and of her thirteen children, five passed on before her, the other eight, five sons and three daughters, are as follows: Charles, of Byrontown, Pa., J. W., of Worthville, Pa., C. J., of Parker, Pa., I. B., of state of Indiana, Elmer E., of Norfolk, Va., and Mrs. Elizabeth McCreeght, of Washington, Pa. Mrs. Elvira Zeitler, of Reynoldsville, and Miss Elmira at home. El-

mira, better known as Ella, has been her mother's constant companion for many years, doing all in her power to lighten the burden of her declining years and to throw a little sunshine into the gathering shadows of old age. Besides these children Mrs. Murphy is survived by one brother, John McMurray, of the Brookville Jeffersonian Democrat, one sister, Mrs. J. S. Linsenbiger, and twelve great-grandchildren. In early life she was converted and united with the Methodist Episcopal church, in which for nearly three score years and ten she proved herself a disciple indeed in whom was no guile. Her life was above reproach.

In the community she will be greatly missed. No one in any community was more nearly omnipresent and omnipotent at time of sickness and death than was this most excellent woman. There are few homes in or near Emerickville that have not known her kindly ministrations. She was not a "busy body" in other men's matters, but ever tried to make life brighter for others.

About a month before her death she went to Norfolk, Va., to visit her youngest son and there was stricken with fatal illness and died. Her youngest son and family, Mrs. Zeitler and Ella were with her at life's close. The remains were brought to her own home on Thursday evening. On Saturday the funeral service was held in the M. E. church at Emerickville, conducted by Rev. J. H. Jelbart, of New Bethlehem, one of her former pastors. Six of her grandsons acted as pall bearers and interment was made in the Milliren cemetery by the side of her husband and children.

The floral tribute consisted of bouquet from Mr. and Mrs. Andrew Wheeler and Mrs. Smith McCreeght, bouquet from Mr. and Mrs. Q. S. Snyder, bouquet from Mrs. Carrie Guthrie, cross and anchor from Mr. and Mrs. Archie McMurray, bouquet from Harry Milliron, bouquet from Mr. and Mrs. P. Gardner, bouquet from Fred Wheeler, bouquet of roses from Elmer Murphy, his mother's favorite flowers, bouquet from Mrs. Fred Zeitler, bouquet from Ella Murphy, bouquets given by Norfolk friends.

### GROOMING COUNTS

But it cannot make a Fair Skin or a Glossy Coat.

Women with good complexion cannot be homely. Creams, lotions, washes and powders cannot make a fair skin. Every horseman knows that the satin coat of his thoroughbred comes from the animal's "all-right" condition. Let the horse get "off his feed" and his coat turns dull. Caring, brushing and rubbing will give him a clean coat, but cannot produce the coveted smoothness and gloss of the horse's skin, which is his complexion. The ladies will see the point.

**Lane's Family Medicine**

Is the best preparation for ladies who desire a gentle laxative medicine that will give the body perfect cleanliness internally and the wholesomeness that produces such skins as painters love to copy.
