**THE CALL OF THE SEA**

"The water is fine ; come in!"

This is the call of the sea, the generous invitation of Old Neptune to partake of the delights of his realm, and it comes clear and distinct from each of the points in the greatest chain of seashore resorts in the world—the wave washed New Jersey coast.

Gay Atlantic City; witching Wildwood; New Cape May in the first flush of its rejuvenation; Sea Isle City, Ocean City, with their smaller sister-resorts nearby; Asbury Park and Long Branch where sylvan shades meet incoming billows—each echo the call to young and old: "Come one; come all!"

Unequaled opportunities are offered to pay a visit to the New Jersey sea coast resorts in the great seashore excursions of the Pennsylvania Railroad now being run at frequent intervals.

From Pittsburg and points in Western Pennsylvania the remaining dates are August 15 and 29, and September 12. Tickets are sold to Atlantic City, Wildwood, Cape May and other resorts on the Southern New Jersey coast at VERY LOW RATES.

These tickets are good for return passage within sixteen days, including date of excursion, and are good to stop off at Philadelphia on the return trip within limit. Special trains are run on dates of excursions through to Atlantic City via Delaware River Bridge Route without change of cars.

Full details of these fine outings beside the sea may be obtained of Ticket Agents.
