

MOTHERS READ THIS

DAUGHTER OF C. W. STUMP
 Mrs. C. W. Stump of Canton, Ohio, writes: "I wish I could induce every mother who has a weak, sickly child to try that delicious cod liver preparation, Vinol. Our little daughter was pale, thin and sickly. We tried various medicines, but without any benefit whatever, and she could not take cod liver oil or emulsions, as they nauseated her and upset her stomach. Learning that Vinol contains all the medicinal and strength-giving properties of cod liver oil, but without the disagreeable oil, we decided to try it, and the results were marvelous, so quickly was she restored to health and strength. We have never sold a medicine equal to Vinol for delicate children."
