PRETTY HOME WEDDING WEDNESDAY MORNING

Miss Bertha Bowser and Eugene E. Deible the Contracting Parties.

A pretty and fashionable morning wedding took place at the home of Dr. and Mrs. A. H. Bowser on Main street at ten o'clock Wednesday, September 11, 1907. The happy couple that plighted their vows at hymen's altar were Miss Bertha Eliza Bowser, only daughter of Dr. and Mrs. Bowser and Eugene E. Deible, son of Ex-Councilman Henry C. Deible. The house was beautifully decorated with pink and white, ground pine, palms and ferns. Miss Kathryn King presided at the piano, and the wedding procession descended the stairs and entered the parlor to the sweet strains of the wedding march from Lohengrin. The bridegroom and his cousin, Roscoe Deible, came first followed by the flower girl, little Ruth Crozier, of Johnstown, cousin of bride, who was followed by the bride on the arm of her father. In front of a bank of ferns and palms in the parlor the pretty ring ceremony of the Baptist church was performed by Dr. A. J. Meek, pastor of the First Baptist church, assisted by Rev. J. Booth, grandfather of the bride. During the ceremony Miss King played softly, "Hearts and Flowers" and during the congratulations played Mendelssohn wedding march.

The bride wore a beautiful cream colored lace robe over cream silk. She carried a bouquet of white roses. After the ceremony Mr. John F. Strauss introduced Mr. and Mrs. Deible to the guests, of whom there were over one hundred present.

The ushers were Will Nolan, George Gelsler, Roscoe Deible and John F. Strauss.

An elegant wedding breakfast was served immediately after the ceremony.

Mr. and Mrs. Deible had expected to leave here on the 12.52 p. m. train on P. R. R. on a wedding trip to Buffalo, Niagara Falls and Canada, but the train was a half hour or more late and they drove to DuBois in a cab, expecting to escape the "ricing" their young friends intended to give when they got out of cab into the train, but they did not escape. Fifteen or twenty of the young people went to DuBois on the belated P. R. R. train and arrived there in time to catch the bride and groom before they got aboard the B. & R. & P. train northbound, and they certainly did shower them with rice.

The wedding presents were expensive and very pretty, consisting of cut glass, china, silverware, linens, sets of dishes, table, chair, rugs, clocks, etc.

Mr. and Mrs. Deible had a house furnished on Jackson street and will soon be nicely settled in their own home. They returned Monday from their wedding trip. They will be "at home" to their friends after October 1st.

State Will Construct Road This Fall if Possible.

By two advertisements appearing in this issue of THE STAR it will be seen that the State Highway Department wants bids for the construction of state road, or paving of Main street, from Seventh street, Reynoldsville, to the borough line, and state road from Reynoldsville borough line to the Clearfield county line, a distance in all of over four miles. The bids must be in the office of the State Highway Department not later than October 9th.

The following letter from the Deputy Commissioner of the Highway Department under date of Sept. 16 will show that if there are no delays in the matter that the work will be started this fall:

"In answer to your favor of the 14th, I would say that if there is no delay in completing the arrangements for the Winslow township work we will be able to have it started this year. There are various preliminaries to be arranged, among which are the signing of the agreements by the county and township authorities and the obtaining of the necessary bond by the contractor, which must be taken care of before the work can be commenced. Delay in any of these matters may compel us to defer actual construction until next spring, but in the absence of such delay we will be able to get a beginning made in the near future."

Main street, from Seventh street to township line, is to be paved with brick.

A FALSE REPORT.

Deal Has Not Yet Been Made to Work Lower Vein of Coal.

Some person started the report last week that outside capitalists had bought a large tract of land at this place and would begin work immediately to sink a shaft and operate the lower vein of coal in this vicinity. Perhaps in the near future the lower vein will be operated, but the above statement that a deal had been closed and the work would be rushed through at once, is false. A little over a year ago some gentlemen who have the capital to do the work, got an option on a tract of land in and close to the borough with the intention of sinking a shaft, but that option expired and has not been renewed.

That there is a good vein of coal underlying this immediate vicinity is well known, and we need not be surprised at any time of hearing that a deal had been closed for coal rights. It would be a good thing for our town if a shaft was put down and the lower vein worked. Why not organize a home company for that purpose?

High School Football Team.

The high school football team has been organized with Edgar Shields as captain and Graydon Robinson as manager. We understand that the boys have a fast team this season and that some good games can be expected. Manager Robinson will arrange a series of games with high school teams of neighboring towns.

As mentioned in THE STAR last week the annual reunion of the "Wildcat" regiment—105th Regiment Pennsylvania Volunteers—will be held in DuBois on Thursday, October 17. The 105th has held several reunions in Reynoldsville and they were very pleasant gatherings. This year the 101st and 103rd will join with the 105th in the reunion at DuBois.

Little Tots in Danger.

The ceiling in one of the bed rooms of Clarence Lierd's home on Grant street caught fire Sunday night from a gas light too close to the ceiling and had it not been discovered just when it was Mr. Lierd's two little children sleeping in the room would have been suffocated. The room was filled with smoke when the little tots were carried out. By prompt work on part of Frank Sutter the fire was extinguished before much damage was done.

James H. Clover Dead.

James H. Clover, a well known hotel man who was proprietor of the City Hotel, then Hotel Beinsap, in Reynoldsville some years ago, died in Brookville about 1.00 p. m. on Monday. He had been ill only a few days. We understand Mr. Clover had about closed a deal for buying one of the hotels in Reynoldsville with the intention of taking charge of the hotel himself. Deceased was 67 years old. Funeral at Brookville this afternoon.

Birthday Party.

Saturday, September 14th, Mrs. A. E. Ritchie was given a birthday party at her home in Soldier, on which occasion over half a hundred of her friends from Reynoldsville, Rathmel, DuBois, Sykesville, Soldier, Adria and Canton, Pa., were present. It was a complete surprise to Mrs. Ritchie, who had been beguiled to DuBois on the day in question and arrived home to find her house in possession of the ladies. A picnic dinner was served and the day was very pleasant and enjoyable for the party assembled as well as Mrs. Ritchie, who was the recipient of a number of valuable presents, including a costly dining room pedestal table.

Our Public Schools.

The enrollment at the beginning of the second week reached almost 700, and still there are more to follow.

The lecture course this year is under the direction of the seniors and the principal. They have purchased one of the strongest 6-number courses before the public. On Nov. 11, the wonderful Henby Bros. will entertain. On Nov. 27, Walter M. Chandler, the noted orator and lawyer of New York, will lecture. Jan. 11, the great humorist, S. W. Gillilan, will make the people laugh, and on Feb. 13, the Lyric Glee Club, a company with no superiors, will sing. On Mar. 13, the great boy friend and Juvenile Court Judge, Willis Brown, will lecture.

The course tickets to this list of entertainments will be one dollar, and the seniors are anxious to clear a sum of money this year with which to purchase a laboratory. We hope the citizens will aid them in every possible way.

The principal hopes to supplement the above course with Hon. W. J. Bryan. In case he can be secured, those purchasing season tickets will hold a coupon which will entitle them to be admitted to this lecture for 50 cents. Those not holding season tickets will be required to pay the regular Bryan price, \$1.00.

Mr. Wallace Mitchell was present last Friday morning and conducted the chapel exercises.

The seniors are arranging a foot-ball schedule. The principal is a friend and advocate of all athletic sports that tend to develop the body and will aid the pupils in every possible way in their sports.

The schools have been somewhat handicapped so far because of lack of books and supplies. But the board of directors are putting forth every effort to obviate this condition of affairs, and soon everything will be smooth sailing.

Three Games Scheduled.

Three Inter-County Base Ball League games are booked for Reynoldsville. Friday afternoon the Sykesville team plays Reynoldsville team on grounds at this place. Monday a double header will be played by Reynoldsville and Eriton teams at this place. The first game will be called at 2.00 p. m.

The Koon Korn Klub Has a Jolly Good Time.

The fourth annual outing of the Koon Korn Klub of Reynoldsville was held at Highland Park on Thursday of last week, Sept. 12. As THE STAR did not have a reporter at the outing and the Pittsburg Dispatch had two reporters there, we clip the following account of the outing from the Dispatch of the 13th inst:

"Reynoldsville's Koon Korn Klub surpassed all previous records of hospitality at their fourth annual outing at Highland Park. The 50 members of the club, with their guests gathered at the park early in the afternoon and it was midnight before the festivities ceased. From far and near the guests arrived early in the day so they would not miss a minute of the celebration planned by Jefferson County's famous club. Reynoldsville's crack Keystone Band of 20 pieces was present, and when even only for a minute excitement appeared to lag the strains of music infused new life among the visitors.

The Koon Korn Klub originated but four years ago with a membership limited to fifty persons, composed of business and professional men of Reynoldsville, now has the distinction of having more applications for invitations to its outings than any other Jefferson County organization. The fourth outing, which was informal in all its details, save for a short time after supper, was in charge of President J. O. Edelblute, Vice-President Dr. J. W. Foust, Secretary W. W. Wiley and Treasurer P. A. Hardman, all being well-known residents of Reynoldsville. If anyone present had a care in the world not a word uttered nor a single thing done by any of them showed the least trace of it.

When the supper, the particular feature of which is corn served in every style, was finished, President Edelblute introduced Attorney Clement Flynn, one of the charter members, who told of the club, particular notice being given to the characteristics of the various members. Specialties, including dances, monologues, songs and various other stunts, were given by members and guests. A bear dance by Walter Brown and an old fashioned "hoe down" by former Senator William T. Cox and Thomas Tapper brought prolonged applause.

Not an accident of any kind marred the pleasure of the day's outing, although the cool weather and threatening clouds prevented many of the members from attending during the afternoon. At night, however, the full membership of the club was present and no fines for non-attendance could be imposed. When the outing closed everyone voted the Koon Korn Klub the greatest social organization in the county and wished it continued luck and prosperity.

Candidate for Assembly.

Horace G. Miller, editor of the Punxsutawney News, who has been a molder of public opinion for a number of years and is familiar with the wants of the people in general, has decided to devote some of his time at Harrisburg in helping to frame laws for the state, providing the voters of Jefferson county want his services, and to give the people an opportunity to express themselves in the matter Mr. Miller will be one of the candidates for the Republican nomination for assembly at the primary election next April. Mr. Miller has the qualifications to ably represent the people of Jefferson county in the legislative halls of Pennsylvania. He will be a strong candidate and doubtless will be a winner.

Lingenfelter and Wells Reunion.

The fourth annual reunion of the Lingenfelter and Wells families held at Wishaw Park on Wednesday, September 11, was the largest reunion ever held by these families, notwithstanding the fact that the early part of the day looked very unfavorable for an outdoor reunion and picnic. It is estimated that almost two hundred people were at the park for dinner and that by supper time five hundred people had assembled. There was a continual round of pleasure until after ten o'clock. Before leaving for home it was voted to hold the reunion again next year.

Business Expanding.

R. D. Albright, manager of the Union Plumbing Co. of Reynoldsville, has secured J. P. Mohny, of DuBois, an expert workman, to assist him in his business. Recently The Union Plumbing Co. opened a branch business at Falls Creek and has secured a number of good contracts there.
