There were thirty-two fair maidens present. There were no boys invited. The house was nicely decorated with bunting, Japanese lanterns, &c. A "witch" occupied one corner of the sitting room and told the fortune of all damsels who desired to know what the future holds for them. A very nice luncheon of doughnuts, pumpkin pie, fruits, nuts, cake, &c., was served. It was a very enjoyable party for all the girls.

In her absence the little tots upset an oil lamp in playing and set the room on fire. The children in their fright and confusion went up stairs. A hard fight was made by neighbors to extinguish the fire and rescue the children but their efforts were unsuccessful. The block, occupied by six families, was consumed by the fire and the two children were burned to death.

Clarion Normal Defeated.

The Clarion Normal foot ball team was defeated by the Reynoldsville High School team at this place Saturday afternoon. The score was 11-0. Our boys would have run their side of score up higher had not the Clarion players, who felt so sure of winning the game when the whistle blew for the start, gotten discouraged and quit the game when there remained 12 minutes of the last half to play. Our boys had strengthened up several weak points in the team, and the entire team played so much better than they did at Clarion, that the visitors were so completely surprised that they could not stand the pressure to end of game. Had our boys played all their games this season as lively as they played Saturday this would not have been their first victory this season.

Elected Director and Cashier.

Mr. and Mrs. Robt. Z. Parrish went to Ohio the first of last week and Mr. Parrish was taken sick while away. He came home on Wednesday evening and had to take to his bed, where he is still, with the prospects of several weeks confinement, as he has a return of malaria, the same disease which kept him down several months last spring. Mr. Parrish has just been elected a director and cashier of the Atwater Savings Bank, of Atwater, O., and expects to open up same as soon as the new bank building is completed, which will not be later than Dec. 1st. It may be possible, however, that his health will not permit him to take up the work and responsibility of such a position. His physician has advised him to defer acceptance of the position as long as possible to further determine results of his present condition.

Begin on Time.

The entertainments in the public school lecture course are supposed to begin at 8.15 p. m., but on account of the tardiness of the audience in assembling it was 8.30 and later last winter when the entertainments began. Had the entertainments started promptly at 8.15 after one or two numbers of the course the people would have all been on time, but because of delay in starting entertainment the people became more careless about getting there and drifted into the "any old time" habit. Monday night at 8.15 Prof. Hepler made his announcements and turned the entertainers loose, notwithstanding the fact that two-thirds of the audience had not arrived yet. The continual coming of people during the first number on the program made more or less confusion, but Prof. Hepler did the proper thing, and if he insists on beginning the entertainments on time the audience will be there on time. Keep it up, Professor.

KING, McCLURE, HALL, STRAUSS

Are Added to the Executive Committee of the B. M. A. and McEntire is Made Second Vice-President.

Four new members of the executive committee and a second vice-president were elected at the meeting of the Business Men's Association Thursday evening. The present officers were elected before the constitution was submitted and but seven of an executive board were chosen, while the constitution calls for eleven. The four new members are, A. T. McClure, manager of the Star Glass Co., A. P. King, of the Reynoldsville Hardware Co., John F. Strauss, of Strauss Bros., and C. R. Hall, the furniture dealer, all representative citizens who will add strength to the board. The previously chosen committee members are, D. H. Breakey, J. W. Emig, Jarvis D. Williams, W. W. Wiley, W. P. Woodring, James H. Spry and Dr. Thomas F. Nolan. The constitution also provides for a second vice-president and H. L. McEntire, the pharmacist, was the unanimous choice of those present. At the meeting a number of new members were enrolled and there is every indication now that the Association, while gaining a foothold slowly, will be the firmer and more durable for it. Up to this week no attempt has been made to organize the forces for active work, a larger and more representative membership being desired from which to appoint standing committees. These committees will be named by President Gillespie, Treasurer Wagner and Secretary Lord, acting jointly, and they met with the members of the executive committee last night to plan the complete organization of the Association. D. H. Breakey was chosen chairman of the executive board and John F. Strauss secretary. They got down to solid business at once and some very pointed statements were made of industrial conditions in Reynoldsville. Within a week or ten days a personal letter will be sent to the property owners of town, embodying these facts. They ask that all receiving them read and ponder well.

Beside the election of officials Thursday, there was a discussion of the natural resources of this section which elicited from M. H. Caldwell, the pottery manufacturer, a statement of the clay beds and their extent which caused considerable surprise and comment. If developed under experienced management the industry would soon surpass all others in value.

AN HONORED OLD VETERAN IS DEAD.

'Squire Joseph T. Guthrie Had Served in the Union Army and Passed Through Twenty-One Battles.

'Squire Joseph T. Guthrie died at his home in West Reynoldsville at eleven o'clock Friday night after an illness of two years duration. Six months ago he fell down stairs and sustained injuries that made him helpless most of the time after the fall, and part of the time he was not rational. Thursday morning he became perfectly rational and remained that way until he closed his eyes in death. He talked during Thursday and Friday of departing this life and was not afraid to go. He assured his wife that he was rejoicing in the Savior's love and that he was sure of an entrance into the heavenly land. Shortly before he expired he said "good bye" to his wife, raised his finger and pointing up, said, "Up, up." Those were his last words. Mr. Guthrie was not only well known by the citizens of Reynoldsville and community, but was known by railroad

FATAL RAILROAD ACCIDENT.

J. Fred Caldwell, Squeezed Between Car and Building—Died in DuBois Hospital.

James Fredrick Caldwell, of West Reynoldsville, brakeman on the P. R. R. Reynoldsville shifter, was so badly injured at the Van Tassel tannery at DuBois at 10.50 a. m., Saturday, November 9, that he died inside of one hour and a half in the DuBois hospital. The shifter was setting a car of hides in on the tannery siding, and as there is a sharp curve in the track it requires two or three men to give signals to the engineer. Caldwell was giving a signal when he was caught between the moving car and a building and was injured internally. He was taken to the DuBois hospital where he died about 12.10 p. m. The body was brought to home of his parents in West Reynoldsville on the eight o'clock train Saturday evening. Funeral service was held at residence on Brown street at 2.00 p. m. yesterday, conducted by Dr. A. J. Meek. The Protected Home Circle, of which deceased was a member, attended the funeral in a body. Interment was made in the Reynoldsville cemetery.

J. Fred Caldwell was the second son of Mr. and Mrs. Frank Caldwell. He was born in West Reynoldsville March 29, 1888, and was 19 years, 7 months and 11 days old at time of death. November 29, 1906, he was married to Gertrude Swonger, of West Reynoldsville, whom, with a baby two weeks old, survives deceased. Fred was a member of the P. R. R. Relief and carried \$500.00 insurance in that organization and was also a member of the Protected Home Circle of Reynoldsville and carried \$1,000 insurance in the Circle. Henry Priestner had charge of the funeral.

Polish Reunion at Reynoldsville.

As stated in THE STAR last week the Polish Union of America will hold a celebration in Reynoldsville on Thanksgiving Day. November 29th is the anniversary of the political union of the Polish and Slavish people, and it is observed by the American Association frequently, but this will be the first celebration by the Polish people in this place. On account of the 28th being a National holiday, the celebration will be held that day instead of 29th, a day earlier than the regular anniversary day. The committee arranging the celebration are endeavoring to get Dr. Fronsac, of Buffalo, N. Y., one of the ablest speakers and one of the most highly educated men of the Polish race in this country, to be here that day.

Eye Doctor in Trouble.

An eye doctor from Clarion was in Reynoldsville five or six weeks ago and secured six or seven orders for glasses, receiving \$5.00 in cash from each person as part payment for the glasses. He failed to send the glasses at time promised and did not answer inquiries concerning the glasses. Some of those who had paid their money had a warrant issued for the doctor charging him with getting money under false pretense, and on Monday Chief-of-Police F. P. Adelsperger went over to Clarion and escorted the doctor to Reynoldsville to answer the charge against him. He was lodged in the borough jail and up until this morning had not been given a hearing, but will likely get a hearing in 'Squire Neff's court to-day.

Alex Stoke was appointed by acting chairman McCright and when these three have completed their work, the balance of the funds will be turned over to the treasury of the Business Men's Association.
