Appreciation
Appreciation make stupid people brighter, homely ones less homely, the clumsy less clumsy, the diffident self-possessed. It need not be given in words; tones are often sufficient, even glances or gestures will convey ample meaning to sensitive souls. Try a few words of genuine approval upon the most stupid person of your acquaintance and note the effect. It will surprise you; try it on a woman who knows that she is plain and unattractive and mark how her eyes will brighten, her cheeks flush and her face light up with something akin to beauty. Try it on a man who lays out your walks or hoes your corn and see what consciousness it will awaken in him. There is that in all of us that responds quickly to the voice of eulogy and longs for it. The man dead to this is dead to every noble aspiration.

For a thorough examination of your eyes by the most scientific methods, try Dr. Gibson. See his ad and dates in this paper.
Don't pay your money in advance to tramp opticians when you can get better work for less money at home. Work guaranteed; price reasonable. Call and tell us about your eyes. C. F. Hoffman, optician.

THERE IS AS MUCH DIFFERENCE

In the quality of glasses as in shoes or clothing, but after all the true value consists in having the lenses made to meet the needs of the eye, which only the skilled optician can successfully do. I will have all the appliances needed for good work and will meet all persons needing such at Brookville, November 16 and 18 and at Imperial Hotel, Reynoldsville, Nov. 21.

The Edison Phonograph Is Like Magic.

We think it is wonderful when we read about a magician who can pour out of a bottle any kind of wine that may be asked for—champagne for one, sherry for another and so on. How much more wonderful then that a single instrument can pour out at will any kind of music that anyone may want! Yet such an instrument is the Edison Phonograph with Edison Gold Moulded Records invented by the great American wizard, Thomas A. Edison. By simply changing a record you can have any music you want, from a magnificent aria by one of the world's greatest song birds to an irresistibly funny rag-time coon song. It does each equally well and pleases everybody who hears it.
You should have one and you can buy it at—

Nothing has ever equalled New Discovery for coughs, colds and all throat and lung complaints. Guaranteed by Stoke & Feicht Drug Co. druggists, Reynoldsville and Sykesville. 50c and \$1.00.
