### A Remarkable Career.

For three score years The Dispatch has been the leading newspaper of Pittsburg. It has had not only local reputation but national fame as one of the great newspapers of the United States.

This reputation has rested upon quality. The Dispatch is Pittsburg's paper of prestige, the Pittsburg paper known to all the country. The Dispatch was pre-eminent in its field when all papers were sold for 3 cents. When contemporaries sold for a penny The Dispatch enjoyed the distinction of having been preferred at twice the cost of competitors. Why? Quality that tells.

Each issue of The Dispatch is better than that of the day before. Its aim is constant improvement. It is continually adding to its facilities for getting the news. Its enterprise is untiring. More than this, The Dispatch is liked because it tells the truth without color or bias. Being the only independent paper it is not allied with the political parties or cliques. It tells both sides of the story, so that its readers can compare issues and form honest conclusions.

Unrivalled news facilities enable The Dispatch to print exclusively the best local, State, national and foreign news in all departments.

The sporting pages are recognized as authority.

Its special features and departments are superior to all others.

Its editorials are fearless and independent.

Its editorial page is not surpassed in readability, attractiveness or interest.

The Dispatch has always been read by the best people. Other papers have attempted to imitate it, but without success. There is a distinctiveness about The Dispatch that they do not seem able to attain.

The Dispatch has always been worth 2 cents. Now that all the Pittsburg morning papers are being sold for the same price it is inevitable that the public will prefer a real 2-cent paper that has won popular approval on that basis and that it will hereafter have an even greater circulation.

Since all the morning papers will cost the same the public will naturally see that it gets the best.

### John and James McKernan Found the Savage Animal In their Trap.

### ATTACKED IT LIGHT CLUBS AND HAVE NARROW ESCAPE

### Many Years Since one of Its Species was Killed so Near to the Town.

John E. and James McKernan, sons of Joseph McKernan, of West Reynoldsville, killed a large and fierce wildcat the first of this week within a mile and a quarter of West Reynoldsville and a quarter of a mile south of the turnpike, on the run that passes Frank Deemer's residence. The boys have been trapping for some time for fur animals, such as mink, weasel and muskrats, and to say that they were surprised to find a large and ferocious wildcat in their small trap would be putting it rather mild. The trap was not fastened to any permanent object, and as the boys didn't have firearms with them and the wildcat was hampered only with a small trap fastened to one front leg, it looked as if there was to be a fierce battle. The boys had a small hunting ax with them, with which they cut two clubs and were determined to give battle. John faced the wildcat while James advanced on the rear. Crouched in a warlike manner, the wildcat was about to make a spring at John's throat when with a dextrous blow James stunned the animal and then the boys rained blows on him 'thick and fast' until the lifeless body of the wildcat lay stretched at their feet. The wildcat measured forty inches in length.

The farmers in the neighborhood will undoubtedly be pleased to hear of the capture of this animal, as it has been a source of great annoyance to them for some time. The hide would make a fine rug, or if any person wanted to have the wildcat mounted it would make a nice appearance. The boys will sell the animal.
