

OVER TWO THOUSAND VISITORS A DAY

Cooper Explains Reason for Remarkable Average of Boston Callers.

During L. T. Cooper's recent stay in Boston, it is estimated that sixty-five thousand people talked with him and purchased his medicine. This is an average of over two thousand a day.

His success was so phenomenal as to cause universal comment both by the public and the press. There must be a reason for this. Here is the reason given in his own words by Mr. Cooper when interviewed on the subject. He said:

"The immense numbers of people who are calling on me here in Boston is not unusual. I have had the same experience for the past two years wherever I have gone. The reason is a simple one. It is because my medicine puts the stomach in good condition. This does not sound unusual, but it is in fact the key to health. The stomach is the very foundation of life. I attribute 90 per cent. of all sickness directly to the stomach.

"Neither animals nor men can remain well with a poor digestive apparatus. Few can be sick with a digestion in perfect condition. As a matter of fact, most men and women today are half-sick. It is because too much food and too little exercise have gradually forced the stomach into a half-sick condition. My medicine gets the stomach back where it was, and that is all that is necessary."

Among Boston people who are staunch believers in Mr. Cooper's theory, is Mr. Frank D. Brown, of 57

Bloomington street, Chelsea, Mass. He says:

"For five years I have sought relief for indigestion, stomach trouble and dyspepsia, spending nearly all my wages with doctors and obtaining no results. I had dull pains across my back, radiating to the shoulders. I had splitting headaches, which nothing seemed to cure. There was a gnawing and rumbling in my stomach and bowels. I was troubled with vertigo and dizziness, and at times almost overcome by drowsiness.

"I felt tired and worn out all the time, my sleep was not refreshing, and I would get up in the morning feeling as weary as when I went to bed. My appetite was variable—ravenous at times, then again nauseated at the sight of food. Sometimes my face was pale, at other times flushed. I was constipated and bilious, and had catarrhal affection in nose and throat, which caused me to hawk and spit a great deal, especially in the morning. I heard so much of the Cooper remedies that I decided to try them. After taking one bottle, a tapeworm 50 feet long passed from my system. I felt better almost immediately. All my troubles disappeared as if by magic, and my improvement was rapid. I now feel entirely well, and can honestly recommend Mr. Cooper's medicine to anyone who suffers as I did."

We sell the Cooper medicines which give universal satisfaction. —Stoke & Feicht Drug Co.

The Talk of a Dollar.

If you will let me stay in town I'll circulate around and do lots of good. You buy a big beefsteak with me and the butcher will buy groceries, and the grocer will buy dry goods, the merchant will pay his doctor bill with me and the doctor will spend me with the farmer for oats for his horse, and farmer will pay his subscription to the local paper and the editor will use me in liquidating a debt. In the long run, you see I'll be more useful here at home than if you'd send me away forever.—Exchange.

A Nation of Cripples Rheumatism Beyond Control

The Only Hope to Rheumatic Sufferers is Uric-O Treatment

If rheumatism continues to spread as it has in the past few years, it would seem as though we would before long become a nation of cripples. The terrible destructiveness of this disease is apparent on every side of us. Almost nine out of ten of the cripples one meets had their affliction liquidated by Rheumatism. How many thousands more there are that are hopelessly hidden and whom we never see. Rheumatism, from the very nature of the disease, can never cure itself and if neglected is bound to grow worse rather than better. If you ever have any twinges of Rheumatism go to your druggist and get a bottle of Uric-O, the wonderful new Rheumatic Specific. It will cure you and it is the only treatment in the world that will cure you permanently and thoroughly. Uric-O cures by its direct action on the muscles, blood and kidneys. It seeks out the poisonous Uric and Rheumatic Acid and drives it from the system and it is only a treatment of such a nature that will ever cure Rheumatism. Liniments and plasters only serve to drive it from one spot to another. They never cure Rheumatism, because it is primarily a blood disease, and until the blood is cleared from the poison, a cure cannot take place.

There never was a case of Rheumatism that Uric-O could not cure and you should not put off taking it. You can test Uric-O free of charge if you wish. Just cut out this advertisement and send it to the S. N. Drug Co., Syracuse, N. Y., together with your name and the name of your druggist, and state that you have never used Uric-O, and would like to try it. They will place you free, through your druggist, a 75 cent bottle, which you can test and try to your own satisfaction.

Uric-O is sold and personally recommended in Reynoldsville by Stoke & Feicht.
