### The Heart Can't Stand Rheumatic Acid Poisoning

### To Free and Correct the Blood a Uric-O Treatment is Advised

There is great danger in those sharp, shooting pains through the chest around the region of of the heart. It means that polsonous aric and cheumatic acid are there ready to apriou and grip tightly the muscles controlling the heart's action. Dont't neglect these warnings, they are the danger signals Nature flashes to you for help. You must neutralize and drive these dangerous polsons from the system, or sooner or later they will overcome you.

The only true way to cure Eheumatism is to get at it from the inside with Urie-O. It nots with marvelous swiftness upon the museles, kidneys and blood. Clears out the sand-like deposits in the muscles, forces the kidneys to perform those duties for which they were designed and neutraffizes the acid within the blood.

Your physician will admit that this is the only true way to cure Rheumatism permanently, and should know that Uric-O is the one remedy that will doll successfully and permanently. Uric-O is a liquid taken internally, 3 times daily, and does not contain any morphia, opium or other so-called "pain deadeners." It is good for Ehenmatism in any form, Sciatica, Muscular, Inflammatory and Articular Rheumatism all pleid readily to Urie-O. Write the makers of the remedy and they can tell you of many wonderful cures that Uric O has made right here in your own town.

The Seniors have for some time been digging around the waste basket of by-gone scholars for subjects for their graduation essays. Every one must graduation essays. Every one must write an essay or an oration, so it looks as if a few might graduate.

The freshman class has two study periods each day in the room with the seniors. The faculty wishes the good graces and studiousness of the seniors to come attached to the freshman class What a wonderful senior class there will be in 1911!

Ask Mr. Herpel, one of the BRIGHT senior boys to explain the third law of motion. He is quite a shark along the principle of action and reaction.

Just before going to the printing office the editor was informed that a youngster of the freshman class had been kidnapped by a girl of the senior class. A reward is offered. For full particulars see next week's paper.

One of the senior girls is wearing a United States pin. She evidently is afraid she will be taken for a foreigner.

One would imagine that Alex had chosen "Caesar" as the subject of his graduating oration to hear him argue n literature class.

many hundreds of people brought enormous internal parasites to the young man, which had left the system after taking his medicine.

Among these people was Mr. Emil Winkler, who brought to Cooper's at tapeworm that proved to be over ninety feet in length. Mr. Winkler, who resides at 182 East Ohlo Street, Chicago, had this to say of his experience: "For five years I have been more or less complaining. I have had severe headaches, and any food that I would eat would nauseate me. I would not take \$5,000 and have that thing back in my system again."

Mr. Winkler is a fair sample of the experience of many during Cooper's preparation that I decided to do so, and after using it for a few days, this awful thing passed from my system. I feel much better already, and I want to say right here that I thank Mr. Cooper a hundred times for what his medicine has done for me. I would not take \$5,000 and have that thing back in my system again." would eat would nauseate me. I would have bad dreams almost every night; dizzy spells would compel me to quit work. Black spots would appear before my eyes when stooping over and rising quickly. I would feel tired most of the time; in fact, I had no life in me to speak of for the last five years.

We sell and will be pleased to explain the Cooper preparations.
