The digestive system is a wonderful piece of machinery, but power is necessary to make it effective.

The power, in this case, is the nerve force and with the nerves exhausted the digestive system becomes hopelessly crippled. There is indigestion, headaches, neuritic pains and spells of weakness, dizziness and discouragement. Strength cannot be regained from the food you eat, but you can be restored by

Rheumatism

Badly Cripples a Baldwinsville Farmer

URIC-O QUICKLY CURED HIM

Treated Two Years with a High-Priced Physician with No Success

Mr. Frank Howe, a prominent farmer in the town of Van Buren, says: "I visited the best physician in this country, who treated me for about two years for rheumatism. I spent in that time several hundred dollars and seemed to grow worse instead of better each day. Being on crutches and forced to drive to the doctor and hobbling to the doctor's office became very discouraging, let alone the sleepless nights and fearful hours of pain. Being advised by a friend I purchased Smith's Uric-O prescription, took it home and used it that day as directed. "Those fearful scalding pains left me, my food seemed to melt and flow freely, I felt vigorous and knew the next morning I had had a cure, as I slept and rested well all that night, something I had not done before in two years. I used in all six bottles of Uric-O and no longer felt a return of the disease, had no need for crutches or cane since the first day's treatment. "I have since recommended Uric-O to hundreds of friends, and a acquaintance and in every instance it gave remarkable relief. To every person who suffers from Rheumatism I say, take Uric-O at once and your suffering will cease and."

FRANK HOWE, Baldwinsville, N. Y.
Anyone who doubts Mr. Howe's experience is invited to write him for further details. The manufacturers have so much confidence in the remedy that they will gladly give a large 75c bottle of Uric-O free to all Rheumatism who have never used it and are looking for a permanent, lasting cure for this most distressing disease. Address for free trial, Smith Drug Co., Syracuse, N. Y.

Uric-O is sold and personally recommended in Reynoldsville by Stoke & Feicht.

REMARKABLE RECORD MADE IN NORTHWEST

Young Man with New Theory Is Astonishingly Successful in Minneapolis.

The remarkable success that has attended L. T. Cooper during the past year has not been confined to any one locality, but is so widespread that the young man is now a well-known figure in most of the leading cities of the country.

Mr. Cooper believes that the stomach is the foundation for most ill health, and claims that his preparation, by regulating the stomach, is a true specific for most diseases. The following extract from the Tribune of Minneapolis gives an idea of the surprising number of people who are accepting Cooper's theory. The article was one of many that appeared during Cooper's stay in Minneapolis, and is as follows:

"The sale of Cooper's preparation is now phenomenal in this city, and an estimate made today seems to indicate beyond all doubt that it will equal the large figures reported from Pitts-

burgh during the thirty days Mr. Cooper spent in that city. "During the past twenty-two days Mr. Cooper has been in Minneapolis, the sale of his preparation has averaged about two thousand bottles a day. When the amount of medicine disposed of throughout the state is added to this, the amount will be doubled. Therefore, the young man has sold in twenty-two days eighty-eight thousand bottles of his medicine in the state of Minnesota alone, which is a truly remarkable record. "During the past week so many hundreds of Minneapolis people have been calling to thank Cooper for the good he has accomplished with his medicine, that it is safe to say that his visit will long be remembered by the sick of the city. "We sell the famous Cooper preparation which has made a similar record to the above wherever introduced. —Stoke & Feicht Drug Co.

I found out that New Discovery is the best remedy for coughs and lung disease in all the world." Sold under guarantee at Stoke & Feicht Drug Co. drug store, 50c and \$1.00. Trial bottle free.
