Reyno ds-Phillippi Nuptials

At 10 30 Thursday night, April 9, 1908, Miss Irene Marie Phillippi of Reynoldsville, stepdaughter of Dr. B. E. Hoover, and Walter B. Reynolds, son of Dr. S. Reynolds, of Warren, Pa., formerly of this place, were united in marriage at home of ye editor. Rev. Dr. A. J. Meek, pastor of the First Baptist church, of which the bride is a member, performed the ceremony. The editor and wife and Miss Alice Mitchell were the only witnesses. The bride was dressed in a brown traveling suit. Mr. and Mrs. Reynolds left here at 5.00 a. m Friday to drive to DuBois to take the 700 a. m. train over the P. R. R. for Philadelphia on a tenday wedding trip. The bride is one of Reynoldsville's handsome and charming young ladies, and the groom, a graduated pharmacist, is a promising young business man. They both have a host of friends in Reynoldsville, where they were reared, who join in extending congratulations and good wishes. Announcements of the wedding were issued Friday morning. They will be at home after May 12 at Warren.

It was the intention of Mr. Reynolds and bride to start from here at midnight to drive to DuBois, take B., R & P. R'y northbound "flyer" for Ridgway and leave there on early morning train for Philadelphia, but to avoid a gang of young friends, who were hiding behind telephone poles and nearby buildings, they decided to change their plans a little and postpone the trip to DuBois until morning. About 1.30 a. m. Friday the young folks gave up and went home and at five in the morning the coast was clear for the bride and groom to start on their wedding trip unmolested.

RESULT PRIMARY ELECTION.

Candidates Who Were Successful in the Contest-Large Vote Polled.

The primary election last Saturday was, perhaps, the most interesting primary election ever held in Jefferson county, especially so far as the Republican party is concerned. When the polls opened there was a number of people waiting to east their ballots. and from the opening to close of polls the board, in the second precinct at least, was kept busy. It appeared more like a presidential election than a county primary There were very few, if any, stay at-homes in this borough Saturday. Everybody that was able to get to the polls and had a right to vote did not fail to get out. Elsewhere we give a tabulated return of the Republican yote, and Democratic vote for Assembly and county commissioner, in Reynoldsville, West Reynoldsville and total vote in county. Andrew Patton Died in Illinois, The many friends and relatives of Andrew Pation all basarry to hear of his death, which occurred on March 30th, 1908, at his pleasant country home near Peatone, 14. He was the fourth son of Robert and Sarah Patton, who with six sons and one daughter, namely, Samuel, William, Isabell, James, Andrew, Thomas and Robert, left Ireland about the year 1835, landed in Philadelphia, and later came to Beechwoods about the year 1840, and settled on the farm now owned and occupied by their grandson, Robert Smith Patton. From this home they all scattered out, making homes for themselves and all died in the Beechwoods except Andrew, the subject of this sketch, who with his wife, four sons and one daughter, moved to Illinois about 40 years ago. He was born in 1824, making him about 84 years of age. Andrew Patton had been an active man until the last few years, when or account of age he gratually retired. His as sickness was of but one week's duration. He died in the faith of his Creator and Redeemer whom he had served the greater part of his life. He leaves to mourn his loss a wife and his family: also a host of friends. He is the last one of the old Patton family to answer the final summons .-Brockwayville Record.

## Short Road to Misery

Begin by fancying that no one cares for you; that you are not of any use to anybody-a sort of nonenity to the household, where your place would not be missed, but easily supplied. Reflect on your want of beauty, and lead yourself to believe that no one can love a plain face, or think you agreeable because there are others more charming. Fancy that everyone who looks upon you makes a mental comparison which militates against you in favor of some one else. Imagine that every word said in jest is only meant to cover a deeper and more painful meaningthat every article of wearing apparel you don is criticised and ridiculed. Do all this and your tendency to morbidity of feering will so increase that in a very short time you will become one of the most mis rable of human beings .-
