Rev. D. T. Williams was received from the Congregational church and accepted calls to the Academics, Richland and Rockland churches. Rev. Boyd F. Williams accepted a call from the Emlenton church. The Big Run and Pleasant Grove churches gave Rev. John R. Mohr, of Rural Valley, a call.

The increase of salary of four pastors was reported: Rev. W. F. Fleming, Clarion, from \$1,200 to \$1,500 annually; Rev. J. L. Proudfoot, New Bethlehem, \$1,000 to \$1,200 annually; Rev. A. D. McKay, Reynoldsville, \$1,000 to \$1,200 annually; Rev. A. P. Bittinger \$100 increase by the Bethesda church at Rimersburg.

The following commissioners were elected to go to the general assembly, which meets in Kansas City, Mo., May 21-June 1: Ministers—Rev. J. Vernon Bell, of DuBois, and Rev. John H. Cooper, of Johnsonburg; elders—W. H. Craig, of Rimersburg, and George W. Downes, of the First Church of Punxsutawney.

There were sixty-six delegates present at the meeting of Presbytery, the largest attendance in its history.

Rev. Joseph H. Ralston was made Presbyterial Missionary to work among the vacant churches, of which there are now eighteen.

Death was on His Heels.

Jesse P. Morris, of Skippers, Va., had a close call in the spring of 1906. He says: "An attack of pneumonia left me so weak and with such a fearful cough that my friends declared consumption had me, and death was on my heels. Then I was persuaded to try Dr. King's New Discovery. It helped me immediately, and after taking two and a half bottles I was a well man again. I found out that New Discovery is the best remedy for coughs and lung disease in all the world." Sold under guarantee at Stoke & Feicht Drug Co. drug store. 50c and \$1.00. Trial bottle free.

A Unique Record.

Eli Vashbinder, of Eldred township, was nominated for sheriff by the Democrats of the county at the primary election on April 11th, but the vote had not been tabulated, so as to make that result certain until Tuesday, April 14th. As a special feature in celebration of the event Mrs. Vashbinder presented her husband with a boy baby on Tuesday, the young man arriving on Eli's 63rd birthday anniversary, and being number seventeen of the Vashbinder family and the eleventh boy. Incidentally the Vashbinder family has a string of birthday anniversaries which is enough to frighten the fellow who has to buy remembrances out of a year's growth, children having been born on the 10th, 11th, 12th, 13th and 14th of April, the latter date, as previously noted, being also the anniversary of the birth of the father of the flock.—Brookville Republican.

BOYS FOUND DEAD.

Hawthorn Boys Eat Wild Roots in the Woods—Two Die.

The startling information was received here Wednesday evening that two little boys, sons of Jacob and William Garver, of near Hawthorn, had died suddenly from the effects of poisoning.

As near as we can learn, three little fellows, two brothers and the other a cousin, left their home in the little hamlet called Georgeville, near Hawthorn, about dinner time on Wednesday to pick dandelions, or "greens." Two of the boys were aged nine years and one seven. They were discovered about two in the afternoon and were taken to the home of Mr. Bowser nearby. The physician who was summoned found that two of the little fellows were dead when he arrived. Medical attention was given the other child and Dr. Hepler made the statement Wednesday night that he had strong hopes of saving his life.

It was said that the children thought they had found a "patch" of wild parsnips, and being hungry, ate of them. Dr. Hepler states that in his opinion it was not wild parsnips that caused their death, but he was unable to suggest any plant that might be of a sufficiently poisonous nature to cause death in so short a time, and the cause of their death is shrouded in mystery.—New Bethlehem Vindicator.

PENNSYLVANIA RAILROAD BULLETIN

THE FORTY BEACHES OF NEW JERSEY.

The one hundred and twenty-five odd miles along the New Jersey coast line from Long Branch to Cape May presents the greatest pleasuring section in the United States.

Upon the bluffs of the northern end and the gently shelving sands of the southern end are located forty resorts which entertain during the spring and summer seasons millions of pleasure seekers.

At no time in the year is this section more delightful than during the spring and early summer months. One who has not seen them at this season would marvel at their delights. The great pine belt, which extends through the center of New Jersey, fills the air with life-giving ozone, which combined with the salty tang of the sea and the open air exercise possible at all times, is exhilarating and tonic to the highest degree.

Long Branch, with its beautiful cottage neighbors, West End, Hollywood and Elberon; Deal and Allenhurst, largely devoted to cottage life; Asbury Park and Ocean Grove, attracting thousands yearly; Avon, Belmar, Como, Spring Lake and Sea Girt, are a galaxy of attractive places upon the bluffs where "the country meets the sea."

Then the Barnegat Bay section, where Point Pleasant, Sea Side Park, Island Heights, Barnegat City and Beech Haven, with other smaller places nearby, welcome the summer sojourner.

Atlantic City, with its seven miles of beach and drives, and its charming suburbs, leads the island resorts, separated from the mainland by the great salt marshes.

Ocean City, Sea Isle City, Avalon and Stone Harbor; Angelsea, Wildwood, Holly Beach and Wildwood Crest also have a large summer population.

And Cape May, with its new million dollar hotel and its wonderful improvements makes a fitting climax and holds a high place among the forty beaches.

The Pennsylvania Railroad is the direct route to all of these resorts from all sections of the country. Its splendid train service makes each of them neighbor to all the rest and to the world at large.
