

Remove Poisons

FROM THE SYSTEM.
There are three ways and three only, by which the human body can be rid of poisonous waste matter—the bowels, the kidneys, and the skin.
It is only when the bowels become sluggish and constipated that the kidneys play out as a result of the excessive work thrown upon them.
Now, there is only one medical treatment that fully restores this condition of affairs.

Dr. A. W. Chase's Kidney and Liver Pills

For they regulate the bowels as well as the kidneys, and thereby remove the cause of trouble and cure the most complicated cases. You can scarcely find a case of kidney disease which did not begin with liver and bowel disorders and which could therefore have been prevented by the great prescription of the famous Receipt Book author. One pill a day, 25 cents a box, at all dealers or Dr. A. W. Chase Medicine Co., Buffalo, N. Y.
Mr. E. F. Smith, 1306 S. Washington Street, Lansing, Mich., states:
"Suffering from kidney troubles, I used Dr. A. W. Chase's Kidney and Liver Pills, and was much pleased with their thorough action on the liver and kidneys, removing the bile, regulating the bowels and toning the kidneys up to healthy and normal action."
