

# Dealers, Attention!

DO NOT LAY DOWN THIS PAPER WITHOUT FIRST READING THIS.

Four years ago we started in to manufacture high grade macaroni, and we have been kept busy delivering the goods ever since. Twice within the above period we have been compelled to enlarge our factory in order to supply our growing trade, until at present we have the best equipped plant for the manufacture of macaroni, noodles, etc., in this part of the country. We have been urged by our many friends in the trade to manufacture an extra fine brand of macaroni for the fancy grocery trade. We have just added this department to our already large factory and are now in position to supply the trade with a superior article along these lines. This new kind of macaroni we call our "Jefferson Brand" and comes packed in one pound paper cartons, 24 cartons to the case. We also wish to call your attention to our "Jefferson Brand" Double Egg Noodles, so called on account of us using two eggs to the pound of noodles, whereas other manufacturers use only one egg to the pound, or at best three eggs to two pounds of noodles. These noodles come in two styles: Broad style, which is termed "Ribbon Noodles," and fine style, which we call "Fedelina Amataste." These noodles can be used in a variety of ways: Prepared the same as macaroni, or with meat broth, or in any style that you use the home made article. The fine kind can be prepared the same as oat meal or any breakfast food and served with sugar and milk, and makes a very appetizing breakfast food. These noodles are packed in the same manner as the macaroni, only there are 20 cartons to the case. We cannot speak too highly of the above brand of noodles and macaroni as they are the result of years of experiment along these lines. Heretofore we have packed our output in bulk, which, while our output is easily sold to the foreign trade, did not suit our many friends in the American trade on account of the large sized package. Now is your chance to get the finest article in its line in this or any other country.

## ALSO

Through our representatives in Italy, we have just secured an extra fine assortment of pure Olive Oil, we import and pack under the following brands:—"Purity," "Jefferson Brand" and "Marraro Brand." These goods are second to none in purity and quality. Few American people, outside of the medical profession, know the value of Olive Oil, which is so extensively used by the Italians in this and other countries. Did you ever hear of an Italian having appendicitis? No. Why? Because they use Olive Oil for culinary purposes instead of the heavier animal fats. It is also very beneficial to the preservation of the gums and teeth. Have you noticed it? In fact it has more soothing and healing qualities than any other food known. It can be used for frying all kinds of food, especially fish, game, potatoes and meats of all kinds, also in dressing all kinds of green stuff, and in making salads. Do not risk your health and life by using a mixture of cotton seed and peanut oil packed and sold as Olive Oil and more often appearing under the name of "Salad Oil." Insist on getting the genuine article from a reliable dealer. All of the goods that are packed and manufactured by us are guaranteed to conform with the existing Pure Food Laws in their strictest sense. Dealers, write us for prices. We can interest you.

1909-1910-1911-1912.

No boys but five good girls.

Five studies throughout the year.

Three study periods every day.

The 13th is usually considered to be an unlucky day, but the 14th was this year.

There are twenty readers of Caesar's commentaries, eight of Cicero's orations, four of Virgil's Aenid. The faculty and school board earnestly desire that the pupils do not drop Latin. Don't be quitters; get into line and take the desired course. Take as your example the present Senior class.

The Seniors regret the loss of May Sterley and Mable Long from their midst.

Here's to the ones who have gone to college to complete their education! May they be made stronger mentally, spiritually and physically.

The H. S. literary society will re-organize on Friday at 2.45 p. m. The work done in this society will be taken as class work. The regular meetings will not be open for the public.

The surplus books of the school have been assembled in the store room.

There have been some cases of truancy already.

The Seniors are in need of apparatus for physics.

School day longer; noon hour shorter.

Supt. Jones wants specimens of school work for the school paper.

Juniors—We think we'll be able to finish geometry in about two months. Just come in and hear us recite.

### MAXIMS.

Not how much but how well.  
Front seats are mighty good seats.  
Just talk it over around the fireside, i. e., Latin.  
You can't study in the dark.

If you don't stop your talking the first thing that will happen to you is, you will have to take a front seat, the next thing you will be sent to the office and the next thing—well, I don't know what would happen to you then.

Elizabeth Coxe left Narberth high school and entered the Senior class of R. H. S., where she will aid in the struggle for "Woman Suffrage," or the rights of that Senior Class.

It's all dutch to me, exclaim the Juniors after German class.

The Senior class, as has been the custom, will give a lecture course this year. As the class is so small, we earnestly solicit the aid of the townspeople. The course this year will be a more expensive one than heretofore, and will excel anything the school has ever given.

Prof.—Has every Junior a Latin grammar? Junior—I have one for Caesar, but none for Cicero.

Girls, why not have a basket ball team.

Minnetta Fuller and Dora Reed, graduates of R. H. S. '08, visited the high school on Monday morning.

The school board were with us for the opening exercises of school, which were held in the chapel; music under direction of Miss Coleman.

First Girl (studying Latin)—Why are there two "noe" in this line? Second Girl—Well, I don't know unless Caesar stuttered.

First Girl (studying German)—Where does "before" come? Second Girl—Why after, of course.

A fine new drum has been procured for the school from Hoskins, Philadelphia, Pa. The R. H. S. drummer boy is Emerson King.

The same old story in the same old way is, "Let's have quiet please."

Will Nolan was unanimously elected manager of R. H. S. football team. Manager Nolan expects to have his team in good working order soon.
