MARRIED IN SUMMERVILLE.

Charles C. Mohney, Formerly of Reynoldsville, Has Joined the Matrimonial Ranks.

One of the prettiest weddings ever witnessed in Summerville occurred there Thursday morning when Miss Rosella DeHaven, daughter of Mr. and Mrs. R. M. DeHaven, became the bride of Charles C. Mohney, of DuBois.

To the melody of the beautiful "Lohengrin" wedding march the bridal party entered the parlor and at an artistically arranged altar of oak leaves and ferns, took the vows that made them man and wife, the Rev. C. J. Zetler, of the M. E. church of Summerville, performing the ceremony. The wedding march was preceded by a solo by Miss Hilda McBride, of Kansas City, who sang "Annie Laurie."

The groom was attended by Meade A. Cribbs, of New Bethlehem, while the bridesmaid was Miss Gladys DeHaven, a sister of the bride. Following the ceremony, a sumptuous wedding dinner was served and the young couple left for a tour of the eastern cities. They will be at home on Knarr street, DuBois, after the 15th of this month.

Mr. Mohney is one of the promising young men of this place, and holds a responsible position with the Hibnormer Hardware Company. He is quite active in church work. Miss DeHaven is a popular and charming young lady of Summerville.—DuBois Express.

Mr. Mohney, who was formerly one of our town boys, has many friends here who will extend congratulations and good wishes.

PLEASANT REUNION AT HAUGH FARM

Many Friends and Relatives Spend Enjoyable Day.

One year ago last month minks came uninvited and unannounced one night and killed a number of chickens for Benjamin Haugh, near Prescottville, and on Thursday morning of last week a number of Hawks, (Haugh) swooped down on Mr. and Mrs. Haugh's premises and when they hied away towards evening time there were not so many fine chickens in the coop as there were the day before. However, the visitors last Thursday were invited and there coming announced. It was the reunion of the Michael Haugh family, and was a very pleasant and enjoyable occasion.

The following Haughs and descendants were present: Joe Haugh and wife, of New Bethlehem, H. D. Haugh and wife, of Brookville, Mrs. Lucy Vasbinder, of Brookville, Jacob Hopkins and wife, of Knoxdale, Mrs. A. F. Gasten, of Minneapolis, Minn., Mrs. John Gest, J. M. Haugh, E. G. DEMOCRATIC NOMINEE FOR PROTHONOTARY

In Jefferson County Addresses an Open Letter to the Voters.

The time draws near when you will be called upon to make a selection from among the different candidates for Prothonotary who have been from time to time presenting their claim to you, that they may be favored with your vote and influence at the coming election November 3.

In justice to those whom I have not had the pleasure to meet as well as in justice to myself, I deem it expedient at this time to submit for your careful attention a few reasons why I should have fair treatment at your hands:

Some of my Democratic friends putting my name on the ballot and then being so heartily endorsed by the Democratic voters, I feel that a great honor has been thrust upon me.

I was born and raised in Ringgold township not in luxury, but vice versa. My school opportunities being very limited on account of not having the means to furnish me with books necessary for rapid advancement. Not being satisfied with my education I borrowed money sufficient to educate myself and paid it back by hard work such as the woods and saw mill could afford. My college education was received at the Central Pennsylvania College. Having in reality educated myself I am such as Senator Dolliver would heartily endorse a self-made man. Having spent fifty months in teaching public school, I have done as much for the future good of the nation, as any other active teacher can do in the same time, which is not a small amount.

All I ask is your consideration, am I worthy of your support? If so give me a square deal, and I will be content with the result. Yours truly, G. CALVIN MOWERY.

Was One of the Most Entertaining of Reynoldsville's Business Men.

GOES TO ASPINWALL TO-DAY

James H. Spry has purchased a large grocery store in Aspinwall, near Pittsburgh, and will move his family to that city and take charge of the business in a few days. His new location is in the heart of Aspinwall, one of the largest and most beautiful residential suburbs of Pittsburgh, and is noted for its large percentage of wealthy citizens. The store has an established trade in an exclusive district and in securing the business Mr. Spry has made an exceptionally advantageous deal.

Mr. Spry has been a life-long resident of Reynoldsville and his departure is a distinct loss to the community. Associated for over twenty years with the business of the east end district, he had established an enviable reputation for square dealing in public and private life, and had built up one of the most prosperous mercantile trades in town. His success in business was recognized at the formation of the Peoples National bank and he was chosen as a director of that institution, being the youngest man ever elected to such honor in Reynoldsville. He was in the van of any movement for bettering local conditions and when the Business Men's Association was organized a year ago, was chosen one of its executive board. The fire of August 31st in the east end leveled his property to the ground and caused heavy financial loss. Though encouraged by all to resume operations at his old location, he felt that the Aspinwall proposition offered him greater opportunity for future growth and he accepted it.

The Way of the World.

A young girl errs once and the doors of human kindness and love are closed against her. But we reach the betrayer our hands and bid him welcome to our homes; we court and flatter him and sacrifice our darling daughters to his greed, for is it not sacrifice of love, purity and everything worthy to wed such a one? Does God ever smile on such a union? If either be shunned, why not betrayer of youth and innocence, rather than the one who has been wronged so grievously? We know that lips will curl with scorn and society will sneer, if we reach our hands to the outcast, but God and the angels will be glad, and if a soul be thus saved, what matters it?—Ridgway Advocate.

"Hawaiian Love Song."

In making mention of the Honolulu Students, who will give the first entertainment on the High School lecture course this season, Wednesday evening, October 21, the Hartford Courant, of Hartford, Conn., says: "The hall was crowded and the audience was enthusiastic over the program given. The men's voices made a hit with the audience. They were clear, sweet and harmonized beautifully. The duet 'Hawaiian Love Song' by Mrs. Anabella and the baritone, William Holous, scored a tremendous hit, both by reason of its musical and novel character. The stage was arranged for a moonlight scene and when the two appeared in their white costumes, the man a tall romantic, swarthy chap with guitar and sash, the effect was charming."

Another Hero Uncearthed.

Jefferson county is in line for some more reflected glory. It seems that Covaleskie, the Philadelphia twirler, who won three games from New York last week, thus shutting the Giants out of the championship of the National league, is a former resident of Anita. According to one who claims to know, Covaleskie and his brother drove mules in the mines there several years ago before the family moved to Shamokin. They were good amateur players when boys and it was only a few years after leaving Anita that the bigger Covaleskie was back here pitching in the Interstate League.—DuBois Express.

A Healthy Family.

"Our whole family has enjoyed good health since we began using Dr. King's New Life Pills, three years ago," says L. A. Barlet, of rural route 1, Guilford, Maine. They cleanse and tone the system in a gentle way that does you good. 25 cents at Stoke & Feicht Drug Co. drug store.

How Did You Flunk?

Did you tackle the Exams that came your way? With a resolute heart and cheerful? Or hide your face from the light of day? With a craven soul and fearful? Or, an exam's a son of an exam's an ounce, Or an exam is what you make it? And it isn't the fact that you've flunked that counts, But only—How did you take it? You have flunked right flat? Well, well, Come up with a smiling face. It's nothing against you to flunk down flat, But to lie there—that's disgrace. The harder you've flunked, why, the higher you'll bounce; Be proud of your blackened eye? It is the fact that you've flunked that counts, But how did you flunk, and why?

A beginning of the systematic study of vocal music has been made in the local schools. Miss Elvae Coleman has charge of the department. Fortunate students.

Prof. A. J. Davis, formerly principal of the Clarion Normal, visited the school last Thursday.

Prof. E. C. Shields, of DuBois, a former teacher, called on Prof. Rife Saturday.

Mrs. Kline and Miss Kline were present at chapel Monday last.

Single admission to Honolulu Students 25 cents. The Honolulu bills are being put up this week.

- A laugh, a walk, A pile of talk, A noisome person with— 'Tis thus a Freshman I recall, A snub, a dash, A slight take this, Conceit with little sense combined, You'll find a Sophomore in mind, A giggle, a whirl, Some pretty girls, A manner careless, gay and free— Herein a Junior one can see, A head, a brain, Socratic vein, A creature who his value knows— As such a Senior well can pose.

The board for the lecture will be in charge of Stoke & Feicht Drug Co. Patrons of the course may secure reserved seat tickets for the first number of the course on and after Saturday, October 17. The entertainments will begin promptly at eight o'clock. This hour is set for the convenience of numerous out-of-town patrons.

There is a strong rivalry among the student agencies for season tickets. The pupil who sells \$10.00 worth of season tickets will receive a ticket for himself;

\$20.00 worth wins a ticket for the pupil and his mother. A prize is offered for the greatest amount of tickets sold.

Are you sure you have the right seats in chapel?

Lost—Several notes; finder please return to Miss Hoffman. The last seen of them was when they were travelling heavenward at a great speed.

Exams are over. Of course we are not glad. Did we all pass?

The literary club of the R. H. S. held its first meeting Friday afternoon, Oct. 9th. Those who served on the program did very good.

Of course we like the R. H. S. Jolly good place for fun, I guess; You can work from nine to six by day, And from seven to one at night, they say, And go to bed with an aching head And a weary sense of work undone, And a wonder strong as to where's the fun— If you study at R. H. S.

The R. H. S. foot ball team went to Clarion Saturday and met the strong Normal team. The Normal has a very heavy team and it was hard for our boys to make gains. At the end of the first half the score stood 0-0. The R. H. S. boys made a great stand at the beginning of the second half by preventing Clarion from scoring when they had the ball on our three yard line. Nolan kicked and Edelblute got the ball; Normal held the H. S. for downs. Then Clarion brought the ball down between the 10 and 15 yard line; they fumbled and Burns recovered the ball, making an 85 yard run and taking the ball within 4 yards of the goal. Coleman made about 1 yard through the line; then Nolan went back and dropped-kicked the ball over the goal. The final score was 4-0 in favor of R. H. S. The boys were congratulated on their playing by the Clarion people, referee, Arnold of Clarion; umpire, Sykes of Reynoldsville.

A game of football will be played here Saturday afternoon between the Punxsutawney high school and R. H. S. team. Punxs' H. S. has a strong team this year, but we are confident that R. H. S. can win. So put on your red and black and buy a ticket to help the boys along. Be sure and root for R. H. S. Notice to Sophomores.—Please be real careful about throwing burnt matches, old toothpicks and pencil shavings on the floor as great injuries may be sustained from these. One young lady of room 14 stumbled over a match last Thursday and got quite a

fall, not only shaking her pride some but also kicking severely the elbow of the little dame who was standing in front of her.

Who said our boys could not play football?

The Junior and Senior classes gave an entertainment Monday morning for the benefit of the teacher. The desk lid chorus gave a fine selection, followed by parts of the entertainment given at the close of school last year.

The Juniors at a recent classmeeting elected Hamlin Postlethwaite president, Jane Smith secretary.

The Juniors are a merry band, In school they all keep mum, But they, wise beings, worry not, But take things as they come.

When teachers have all disappeared, And quiet reigns once more, They like to sing till echo's sound Brings back a gay encore.

Monday morning—"Who said Judge?" Mr. Postlethwaite: "I didn't." Mr. Smith: "Neither did I."

"Tingling Johnson," the poet, and his manager sometimes enter upon the scene in room 14 to add more to their list of fun and gaiety.

Teacher—"Why, if you read John's on a little further you'll find he was the biggest liar that ever sat on the English throne."

Young's orchestra will play for the lecture course this year.

Dr. DeVere King visited our schools Monday morning.

H. S. pupil to another—"How's school?" Second pupil—"Oh, it's blis-unah."

Quack! Quack! Rip Van Winkle is common talk in the Junior class this week.

"Wireless Telephones" wanted.

Question—Why did the people go to the expense of putting the seats in side by side in the auditorium when the pupils can be placed so picturesquely a seat apart?

Would Mortgage the Farm.

A farmer on rural route 2, Empire, Ga., W. A. Floyd by name, says: "Bucklen's Arnica Salvo cured the two worst sores I ever saw, one on my hand and one on my leg. It is worth more than its weight in gold. I would not be without it if I had to mortgage the farm to get it." Only 25c at Stoke & Feicht Co. drug store.
