WEDDING AT PUNXSUTAWNEY.

Miss Doris Edna Baum and Robert E. Perry Married at the Bride's Home.
A pretty home wedding occurred October 21st at the residence of Mrs. Levlina Baum, when her oldest daughter, Doris Edna, became the bride of Robert E. Perry, son of Mr. and Mrs. Martin Perry, of Ringgold.
The ceremony was performed at eight o'clock in the parlor, which was beautifully decorated with ferns and flowers. The simple but beautiful ring ceremony was used, Rev. A. D. McKay, pastor of the Reynoldsville Presbyterian church, officiating. The bride was attended by her sister, Miss Mayme Baum, while Gregory Baumgardner was the groomsmen.
Following the ceremony and congratulations a sumptuous collation was served. The young people left Tuesday morning for Pittsburgh, where they will spend several days, after which they will return to Emerickeville where Mr. Perry teaches school.
The bride, who has been employed in Robinson's hardware store for some time, is exceedingly popular among her many acquaintances, and is the possessor of many accomplishments. Mr. Perry is a young man of great promise, who is well known throughout the county.—Punxsutawney Spirit.

The bride is a niece of John H. Baum, of Reynoldsville, and resided in our town several years, consequently has many friends in this place.
Charles B. Clark, of DuBois, has been knocked out with rheumatism for several weeks and his father, Edward Clark, went to DuBois last Thursday to bring him to Reynoldsville, but after arriving in DuBois the doctor advised that he be left in DuBois, and he was not moved to this place.

Harry T. Marsh, P. R. R. operator at St. Charles, and Miss Cecilia O'Loughlin, of Brookville, were married October 19. The benedict, who is a son of Conductor James M. Marsh and nephew of Mrs. John M. Stephenson and Mrs. Frank Bracken, of this place, spent his early boyhood days in Reynoldsville.

The Rathmel public school, assisted by the Rathmel orchestra, will give a short literary and musical entertainment and an ice cream social in the school building Saturday evening, Nov. 7. Admission free; proceeds from supper and social to be applied to the school library fund. Ladies requested to bring pies or lunches.

Nine candidates from Valiant Lodge No. 461, Knights of Pythias of Reynoldsville, were given the third degree by the DuBois degree team at DuBois Friday night. Valiant Lodge has awakened from its lethargy and a number of new members have been initiated within the past few months and there are others who have made application to "ride the goat."

Annie May Warnick, aged 14 years, 11 months and 21 days, daughter of George Warnick, died at home of her parents in Beechwoods at 9.00 p. m. Saturday, October 24, 1908. Diphtheria was cause of her death. Short funeral service was held Monday forenoon, conducted by Rev. George H. Hill, and interment was made in the Beechwoods cemetery.

Will M. Scott, one of our town boys, son of Lyman W. Scott, who left Reynoldsville fourteen years ago to travel with Norris Bros.' shows, and has only visited his father once in that time, which was nine years ago, returned to town last week. During the fourteen years Will has traveled over a large portion of the country. The past two years he has been traveling with Seils Flota.

Joseph E. Kirkwood, the American Sunday School Union missionary, is meeting with exceptional success in the evangelistic meetings he is now conducting at Stronach, in Clearfield county. Up to Sunday evening seventeen persons had professed conversion, most of them adults. It is quite possible that a permanent church may be established there as a result of the present movement.

Slowly but surely, it would seem, the mustaches of this country are vanishing. As the hills and valleys are being denuded of their forests, so are the upper lips of men becoming destitute of hair. Whiskers of all cuts and styles of architecture are rapidly disappearing from the face of man. The generation is almost beardless. A photograph of Troop D, State Police, with 56 men, exhibits but one solitary mustache. Whiskers, where art thou going?—Punxsutawney Spirit.

The "feast of tables" in the I. O. O. F. banquet hall last Thursday evening under auspices of the ladies of the Baptist church was fine. It was a progressive supper. There were five tables, beginning with white meat of chicken, wafers and celery at first table and completing the meal at the fifth table with pink sherbet and pink cake. Each table was nicely decorated. The first with white decorations, second brown, third red, fourth green and fifth pink.

Honolulu Students Concert Co.
The first entertainment on the High School lecture course was given in Assembly hall last Wednesday evening by the Honolulu Students' Concert Co. There was a large audience present, and if vigorous applause counts for anything, the audience was certainly well pleased with the entertainment.

New England Dinner this Evening.
The Helping Hand Society of the M. E. church will serve a New England dinner in festal hall of church, from 5:00 to 7:00 p. m. to-day. Price 25 cents. Menu: Roast pork, mashed potatoes, cold slaw, baked squash, baked beans, pickles, apple sauce, apple butter, bread and butter, pumpkin pie, doughnuts, coffee.

Leer Turner Parboiled.
August Dush, leer turner at the Mahler glass plant at DuBois, fell into the "dip" about six o'clock Monday evening and died about eleven o'clock that night. Dush was literally parboiled. The "dip" is a vat six feet long, about fifteen inches wide and ten feet deep and is filled with steam-hot water, with a gallon of muriatic acid in it. Dush was 25 years old, single and was the only support of his mother.

Rowdyism Applause.
The applause at Assembly hall last Wednesday evening sounded more like the applause in the "peanut gallery" at a cheap show in an opera house than at a first-class entertainment in the high school building. Whistling and stamping of feet have not been part of the applause in Assembly hall heretofore, and it is to be hoped that such conduct will not be so conspicuous at any of the other high school entertainments during this season.

Will Be Married To-Day.
J. W. Hunter, cashier of the Citizens National bank of Reynoldsville, and Miss Grace Craig, who was a teacher in our public schools several years, will be married at home of the latter's brother-in-law, Dr. H. B. McGarrath, at Enterprise, Miss., to-day. They will arrive in this place sometime next week. Mr. Hunter is one of our promising young men and Miss Craig is a fine young lady, both highly esteemed by their acquaintances in Reynoldsville. They will have the good wishes of their best of friends.

Killed in Steel Mill.
E. D. Davis, of West Reynoldsville, was called to Johnstown, Pennsylvania, last Friday to attend the funeral of his brother, Daniel Davis, who was killed in a steel mill at Howard, Col., October 21. The body was shipped to Johnstown for interment. Deceased, who was 50 years old, is survived by his wife and seven children. Mr. Davis had been a resident of Johnstown a number of years and when work got slack in his home town a year ago he went out into Colorado and got work, but had not moved his family.

Additional Mail Service.
Commencing Wednesday evening, October 28, mail will leave the Reynoldsville postoffice for DuBois, Pittsburgh, Philadelphia, New York and Buffalo on the 9.40 o'clock Pennsylvania railroad train. At present letters for the east mailed after 6.00 p. m. do not leave the office until nearly noon next day, and for Pittsburgh not until 8.08 the following day. Hereafter, with the new service, a letter for Pittsburgh mailed at 7.20 p. m. will reach its destination by 8.20 next morning. The night "flyers" over the B. R. & P. passing through DuBois make this possible.

Squire S. T. Hoover, of Gaskill township, who is eighty-four years old, and in rugged health, was in town yesterday. After next Tuesday, when he votes for Taft, he will have voted for sixteen candidates for President, having voted for Henry Clay sixty-four years ago.—Punxsutawney Spirit. Squire Hoover is the father of Dr. B. E. Hoover, of this place.

For 25 cents you can get a splendid dinner at the M. E. church any time from 5.00 to 7.00 p. m. to-day. Menu published elsewhere in this issue.

OUR WATER SUPPLY.

Company Having Another Well Drilled—Steel Tank Full in Reserve for Fire Protection.

The long dry spell is having its effect on the city water supply in Reynoldsville, but there is still sufficient water to supply the demand if people are careful and do not use more water than is really necessary. What water we have is good and pure. Some of it comes from springs, but most of the water now being used is pumped from a deep well.

To prevent a water famine in our town in case the dry weather continues much longer, the company has let the contract to Moltrop Bros. to drill another well near the power house. The drillers are working night and day and they expect to complete the work in four or five days. Besides having another well drilled the company has a crew of men at work putting in a new pipe line to a spring about one hundred yards away from the water dam and the water from that spring will be turned into the dam.

The large steel tank is full of water for use only in case of fire.

Democratic Rally.
The first and only Democratic rally held in Jefferson county during this presidential campaign was held in Reynoldsville last Friday evening. The Sykesville brass band and a boys' drum corps of Reynoldsville furnished music for the rally. The bands and a delegation of Democrats went to the 7.58 p. m. train over the P. R. R. to meet Hon. John G. Harmon, one of the speakers for the occasion.

A good sized audience, including a number of Republicans, assembled in Centennial hall, where the mass meeting was held. Lawyer Clement W. Flynn, Democratic county chairman, presided. There were four speakers introduced in following order, James A. Gleason, Esq., of DuBois, John Smith Shirley, Esq., of Clarion, candidate for congress, Wm. M. Fairman, Esq., of Punxsutawney, and Hon. John G. Harmon, late Democratic candidate for State Treasurer.
