One of the best signs of the times for the future prosperity of Reynoldsville is the rapidity with which land adjacent to the town is being cleared for farming purposes. Large areas east, north and west of town have been cleared of stumps and brush the past year and are now under cultivation. Aside from the profits of the annual crops such land will in a short time yield a handsome return through increase in value.

In "The Matchmaker" Mr. Sully has a play stronger in every way than "The Parish Priest" or any other play in which he has ever appeared. It is a romantic comedy in three acts, well constructed, full of dramatic strength and rich in comedy. The characters are flesh-and-blood, modern types of American men and women. The action of the play is rapid, the situations full of interest and the climaxes exceptionally worked up. From every point of view "The Matchmaker" may be considered the crowning triumph of Mr. Sully's life. Jefferson Theatre, Punxsutawney, Monday Nov. 23.

Blaydon Has Good Position.

J. A. Blaydon, formerly of this place, now located at Trevorton, Pa., is getting along nicely at that place and holds a good position. The following was clipped from a Trevorton paper:

"At a meeting of the stockholders of the Trevorton Light, Heat and Power Company held Wednesday evening several important changes in the management were consummated. The owners realized that they had not the necessary time to devote to their growing industry and as a consequence J. A. Blaydon, the present efficient man of all work, was made general manager and the entire business of the corporation will in the future be in his hands. That he is able and competent to carry out well laid plans is shown by the good service given by the plant since he has been connected with it.

"One of the first steps of the new manager was to announce that in the future all wiring would be done at the actual cost, not a cent of profit being added for the company. In addition those who may have the lights installed will be allowed to pay the cost of wiring in small monthly installments of fifty cents or a dollar, if they so desire."

Three Generations Converted.

Last Sunday Rev. F. M. Redinger closed a three weeks' revival meeting in the Methodist Episcopal church at Sandy Valley. It was an interesting and successful revival. Twenty persons were converted and fourteen of them have joined the church on probation. One of the rare occurrences at a revival meeting.

Johnsonburg's Dirty Deal.

The Reynoldsville high school football team went to Johnsonburg Saturday to play the team at that place and received such mean and contemptible treatment that after thirteen minutes playing our boys withdrew from the game. They were informed before they began playing that Johnsonburg proposed to win the game regardless of how they might win it, and their rough and foul tactics showed that they did not intend to let Reynoldsville win. The English language does not contain strong enough words for some of the players to express their disgust for treatment received at Johnsonburg last Saturday.

Enjoyable Birthday Anniversary.

J. J. Sutter, one of our highly respected citizens, who moved to Reynoldsville over thirty-eight years ago, was seventy-four years old last Saturday, and his birthday anniversary was celebrated by a dozen of his old time friends and business associates assembling at his beautiful home on Pleasant avenue Saturday evening. Their coming was a complete, but very agreeable surprise to Mr. Sutter and an enjoyable event for all. One of the most elaborate and palatable six o'clock dinners ever served in Reynoldsville was served on this occasion. The most fastidious epicureans could not have done otherwise than have complimented the culinary artists who planned and prepared the feast. The friends departed at an early hour, wishing Mr. Sutter many happy returns of his birthday anniversary.

Mrs. J. B. Henderson, a prominent lady of Brookville, died at her home at noon on Wednesday of last week. She was 65 years old.

BILLY HARRIS STILL MISSING.

This is Not the First Time Harris Has Skipped to New Scenes When Having Driven a Team Into Trouble.

Billy Harris, the chap who drove Burns' livery team to Quay Camp on night of November 7 and skipped out when team tumbled into an old coal mine, has not been found yet, although his father, Al. Harris, of Brockwayville, and others have been searching and inquiring for him ever since his disappearance. It was first thought that something awful had happened to Bill, but we don't think there is any occasion for alarm. This is the greatest sensation Billy has ever sprung on the newspapers and public and no doubt he has been enjoying it. His friends will likely hear from him when he is sure the excitement of his sudden and mysterious disappearance has blown away. The following clipping from the DuBois Express of 13th inst. shows that Billy has driven into trouble before and then ran away:

"It seems that this is not the first time Harris has driven off the right road and betook himself to new scenes without stopping to investigate. A couple of years ago he was employed as driver by a DuBois livery firm. On a dark night he was driving a hack in which were two couples bound for a dance at the fair ground. Harris mistook the road near the turning off place and drove the outfit into the creek which was at the time well filled with water. When he discovered that something was wrong he jumped on the seat and ran away leaving the occupants to wade to dry land as best they could."

Death From Exposure.

Harry McCullough, of Pittsburg, froze to death near Medix Run some time Sunday night while trying to make his way to the Munn farm. His body was discovered Monday morning and later identified.

Mr. McCullough is a sportsman and for several years has spent a portion of the open season for killing deer at the Munn farm and is well known in the vicinity of Medix Run. Yesterday deer season opened and to be on hand for the opening he arrived Sunday afternoon with a full hunting regalia and started for the farm, which is near the head waters of Mosquito creek several miles from Medix Run. He started for the farm before nightfall carrying two guns and a heavy grip and the next heard of him was Monday morning when his body was discovered about a half a mile from the Munn farm—DuBois Courier.

Pointed Paragraphs.

Offensive wives make defensive husbands. It's the worst kind of luck when you have that kind. But few men who say nothing have the wood-sawing habit. Everybody knows that a busybody has a nose for scandal.

Sad Accident.

Jacob Pifer, a well known resident of Henderson township, while in a mow of one of his barns fell through to the floor and injured himself quite seriously. His head and side, it seems, received the most damage and he has been so ill as to need the care of nurses and several physicians. At the latest word, he was improving very slowly if at all.—Big Run Tribune.

Daniel Sully and his company in his new play "The Matchmaker," will appear at Jefferson Theatre, Punxsutawney, Monday evening, November 23rd. The play is a natural successor to "The Parish Priest" in which Mr. Sully scored one of the greatest triumphs of his career, but in dramatic strength and comedy interest it is far ahead of anything Mr. Sully has ever produced before. The leading role is that of a priest in a little cattle town in Idaho, where the church finds scant support, the congregation is poor and the pastor meets with many obstacles and disappointments. The part was written for Sully and fits to a nicety.
