### BEECHWOODS SETTLER DEAD.

William Britton, Pioneer, Dies in His Seventy-Fourth Year.

William Britton, one of the pioneer settlers of Beechwoods, died at his home at 5 o'clock Thursday morning after an illness extending over a period of several years. He was a sufferer from Bright's disease and for the past two years had been in a very delicate condition, although at a time confined to his bed. Monday he had helped about the work on the farm and had overseen the fall butchering, but that night was taken with severe suffering and gradually grew worse until his life ebbed away early Thursday morning, November 26, 1908.

Mr. Britton was one of the stalwart farmers of the Beechwoods country, whose labors have made that community famous. He was born in Ireland and came to this country with his brother Joseph when a young boy. He made his home with Rev. John Wray in Beechwoods for several years, until by his frugality and energy he gathered enough together to buy a plot of ground which he cleared and tilled until he gained one of the finest farms in that section. Here he had lived for 50 years, an unostentatious life doing his duty faithfully and honorably, and setting an example of an upright country gentleman to the rising generation.

The deceased married Miss Lydia Divier, who with seven children survives him. These are Mrs. Minnie Sterrett, Mrs. Lizzie Smith, Mrs. Martha Sterrett, Edna, Joseph, John and Vernon. Three other children, Perry, Bertha and Mabel, have preceded their father to the grave. He is also survived by three brothers, James, of Philadelphia, George and John of Brookwayville, and three sisters, Mrs. Martha Orr, of Canada, Mrs. Mary Curry, of Brookwayville, and Mrs. Jane Wilson, of Butler.—Brookwayville Record.

Funeral services were held Saturday afternoon from the late home, conducted by Rev. George H. Hill, pastor of the Beechwoods Presbyterian church, of which the deceased was an active and conscientious member since his early manhood. Interment was made in Beechwoods cemetery.

Mrs. Lizzie Smith and Vernon Britton, daughter and son of deceased, reside in Reynoldsville.

### Committee in Charge of Plans Makes Curious Discovery Concerning Boundary.

### SPECIAL LEGISLATION NEEDED

### Will Mean a Long Delay Before The Much Discussed Union Can Occur.

Probably no public project in recent years has aroused such furious controversy in Reynoldsville and West Reynoldsville as the announcement that an effort would be made to secure a union of the two boroughs. The measure had friends and foes in plenty in both boroughs, but while the debate was going on in public the committee composed of the president, secretary and chairman of the executive committee of the Association was quietly working on the plans, confident that the wisdom of the move would ultimately be recognized by all.

Last night the committee in investigating facts concerning the boundary lines of the two boroughs made the curious discovery that between the two towns lies a strip which belongs to neither Reynoldsville nor West Reynoldsville. This strip is the Sandy Lick creek and its existence brings the township in as a factor in annexation proceedings. The boundary lines of each borough come only to the banks of the stream. The state statutes providing for such municipal unions require that the boundaries shall be adjacent.

This matter complicates the affair and will necessarily delay negotiations for an indefinite period. Instead of meeting at once with the West Reynoldsville council the committee appointed last week for that purpose will report to the Association the unforeseen difficulties due to the intervening township land. In such cases special legislation is usually required to enable the municipalities to unite.

### Extension is Assured.

The extension of the Buffalo & Susquehanna railroad from Sagamore to the Allegheny river is an assured fact, says the Kittanning Times.

The company has a number of men taking options on the coal lands in the vicinity of Elderton, Shady Plain, South Bend and other sections through which the road will pass.

It is said that the road is fully financed by the people connected with the Wabash, and that it will connect with the Brookville and Mahoning road, now building at Clinton, just across the river from Kelley's Station, and both roads will reach Pittsburgh either over the Wabash or Bessemer. Some persons believe that the work will begin right after the first of the year.

### DIED OF INJURIES RECEIVED.

Jacob Pifer, Who Helped Recapture Escaped Murderers Passed Away Wednesday—Fell From Threshing Floor in Barn.

Jacob Pifer, one of the best known citizens of Henderson township, died Wednesday at 5 o'clock p. m., from the effects of an injury which he received about six weeks ago when he fell from the threshing floor of the barn to the cement floor of the basement.

Mr. Pifer's injuries did not disable him for but a few days and he had apparently recovered when on Sunday, October 25, he participated in the recapture of the two Indiana jail breakers, Bruno Carbone and Joe Veltra, who had escaped three days previous. The story of the recapture of the condemned murderers by Jacob Pifer, Albert Reed and Daniel Campbell is of too recent date to require a rehearsal. Mr. Pifer, who was one of the trio to share the reward, about two weeks ago began to suffer from the injuries sustained when he fell from the threshing floor and despite the best efforts of physicians and surgeons rapidly declined.

The deceased, who was the son of the late William Pifer, was forty-six years old. He is survived by a widow and six children, and brothers and sisters as follows: Solomon, Phillip, John, George and David, of Henderson township, and Mrs. Scott North, of Panie.

The funeral took place from the late home of the deceased Saturday morning at 10 o'clock. Interment was made in the Pifer cemetery.—Punxsutawney Spirit.

### No More Bounty Money.

Until the Pennsylvania Legislature appropriates more money for the payment of bounties, it will be useless for hunters, trappers and citizens to make application to justices of the peace for remuneration for destroying wildcats, foxes, weasels or minks. At the last session of the legislature \$50,000 was appropriated for the payment of bounties, but that sum has been exhausted as far as Jefferson county is concerned.
