COUNCIL MET CITIZENS' COMMITTEE ON FRIDAY AND ACTED PROMPTLY

Committee Appointed To Ask Water Company For Better Fire Protection.

FIREMEN REFUSED STEAMER

Were Granted Everything Else They Asked For, However, And Special Fire Police Will Be Appointed.

Special meeting of town council was held in Secretary Flynn's office last Friday evening to meet a committee of representative business men and a committee from the fire companies to hear requests for better fire protection, etc., etc. All the councilmen were present but August Baldauf, who was prevented from being present on account of illness.

The first thing on list was the adoption of a resolution to the effect that council appoint not less than twelve fire policemen to serve for a period of one year. They shall serve without compensation and shall be sworn same manner as borough police. Fire police to be under control of burgess and chief-of-police. Their duties shall be to attend all fires, maintain order at same, give protection to firemen, take charge of all portable property, and generally do all other work that may become necessary to protect life and property during fires. Fire police will be appointed at next meeting of council.

The following committee of representative business men, Messrs. Chas. M. Milliren, G. T. Woodford, Smith M. McGreight, Andrew Wheeler, W. H. Bell and W. T. Cox, were present and requested council to purchase a steam fire engine, make arrangements to have a telephone put in pump station at water works, improve the signal system for fires, see that the Water Company keeps water in main at all times, request Water Company to place a water main from steel reservoir on hill to connect with Fifth street main, and have shutoff at pump station. Also that the Gas Company be requested to promptly shut off gas at premises which may be on fire.

Committee of three councilmen, Deible, Dinger and Hoffman, was appointed to meet with the Water Company, as soon as Water Company could arrange for meeting, to make demands for better fire protection. This committee to report to council at a meeting to be called by president of council just as soon as committee can make report.

David R. Cochran, J. C. Williams, Warren W. Deible, committee from Hope Fire Co., requested council to buy a steam fire engine, three hundred feet of rope to stretch at fires, one hundred feet of one inch rope to be used with the hooks, two 1/2 inch nozzles, two 1/2 inch nozzles, two plug gates and new fire ladder.

The committee on borough property was instructed by council to purchase all the articles requested by fire company, excepting the steamer. Owing to present condition of the borough finance council feels that borough could not purchase steamer at this time.

Council adjourned to meet at the call of the president to hear what assurance the Water Company will give for better fire protection.

Death of Mrs. Sara Stewart.

Sarah Ann Goodrich was born in Youngstown, Ohio, April 26th, 1833, and died at home of her daughter, Mrs. T. P. Brown, in New Bethlehem, Pa., November 30th, 1908. She was united in marriage to W. T. Stewart, of Indiana, Sept. 5, 1850, who preceded her to the Heavenly Home ten years ago. To this union nine children were born, seven of whom survive the parents and are: Mrs. James McManigal, of Hazen, Mrs. George Marshall, of Rathmel, W. A. Stewart, of Brookwayville, John Stewart, of Portland Mills, Mrs. H. D. Mohney, of Brookport, Mrs. T. P. Brown, of New Bethlehem, and George Stewart, of Falls Creek.

Funeral service was held at the home of deceased's daughter in New Bethlehem Wednesday, Dec. 2, at 9.00 a. m., conducted by Rev. Arthur Sangston, pastor of the First Baptist church of New Bethlehem. The body was taken from there to the Beach woods cemetery where interment was made.

Medical Meeting on Dec. 18th.

Doctors from three counties will meet here on the 18th of the present month when the Medical societies of Jefferson, Clearfield and Elk counties will hold a joint meeting in the assembly hall of the Acorn club. It is likely a prominent member of the profession will be secured for an address and several topics of general interest to the physicians taken up and discussed.

It is expected that State Senators Dingling, Kurtz and Hall will be present, also the representatives from the three counties. Desired legislative enactments are to be talked over and action taken for a change in the laws governing asylums and other matters. As a step toward securing needed changes and reforms the presence of the lawmakers is wanted so they may familiarize themselves with the legislation wanted by the physicians. The recommendations to be made will be in line with those made by other similar societies.—DuBois Express.

In Memoriam.

The Board of Directors of The Peoples National Bank have learned with profound sorrow of the death of one of their respected and honored members, Leonard P. Seeley, who died at his residence, 5710 Baum street, East End, Pittsburgh, Pennsylvania, in the sixty-fourth year of his age.

Mr. Seeley had been extensively interested with the bank since it was first established in 1874 by F. K. Arnold & Company, when in 1884 it was re-organized and known as Seeley, Alexander & Co., until 1905 when they took out a national charter and re-christened it The Peoples National Bank of Reynoldsville, Pennsylvania.

We tender to his bereaved family our heartfelt sympathy and express the hope that the recollection of his life of unswerving probity and strict performance of every duty, and of firm reliance upon Him, who doeth all things well, will mitigate their grief and afford that comfort and consolation which the world can neither give nor take away.

Leonard P. Seeley was admired, respected and trusted by all. By his death society has lost a generous and many citizen. Always cheerful, intelligent and zealous. His integrity stood forth boldly in the vigorous execution of every trust confided to him. Such a record is worthy of imitation and we shall refer with kindest remembrance to the relations he sustained to this institution, as well as to ourselves, through the more intimate ties of personal friendship.

As a mark of respect it is ordered that this tribute be spread upon the minutes and a copy sent to the family of the deceased.

KILLED ON RAILROAD AT OIL CITY SATURDAY

Sylvester E. Brennan, of West Reynoldsville, the Unfortunate Man.

INTERRED AT REYNOLDSVILLE

Sylvester Edward Brennan, son of Mrs. Madaline Brennan, of West Reynoldsville, flagman on the P. R. R., was killed in Oil City at 6.35 p. m. Saturday, December 12, 1908. Mr. Brennan was riding on the tender of the engine as it was running around the Y in Oil City yards, the Erie railroad tracks being used for part of Y, and an Erie engine side-swiped the engine Sylvester was on and caught him between the tenders of the two engines, crushing his life out. Sylvester was holding his lantern up looking at his watch when the Erie engine struck him and did not see the engine coming.

The body was brought to the home of Mrs. Brennan on the 9.40 p. m. train Sunday and funeral service was held in the Catholic church at 9.00 a. m. yesterday. High Mass was conducted by Father Lynch. Interment was made in the Catholic cemetery in West Reynoldsville, beside the father of the young man, Sylvester Brennan, Sr., who died six years ago on the 20th of last July.

Sylvester E. Brennan was born in Washington township, Jefferson Co., Pa., April 11, 1880, and was 28 years, 8 months and 1 day old at time of death. He had been railroading four years and

would soon have been promoted to conductor. He was a first-class railroad man and was well liked by all the railroad men who knew him. He was a quiet young man and was very good to his widowed mother. Sylvester was a member of the Brotherhood of Railway Trainmen No. 566, of Reynoldsville, and was also a member of the Knights of Columbus of Reynoldsville, and members of both these orders attended the funeral.

A committee of six from the B. of R. T. of this place went to Red Bank Sunday evening to take charge of the body of their deceased brother, a committee from the B. of R. T. of Oil City having had charge of the body to Red Bank. The Reynoldsville committee were: T. H. Armagost, G. E. Armagost, L. O. Gourley, John Bashor, Will C. Wildauer and Mal Burkhouse.

The floral tributes were beautiful, among which were three set pieces, a broken wheel from B. of R. T. No. 566, pillow from Reynoldsville Council No. 935, K. of C., and a pillow from railroad men of Phillipston.

The news of Sylvester's death was a severe shock to his mother, who has been suffering with heart trouble for some weeks. Mrs. Brennan and family have the deep sympathy of a host of friends in this sudden and unexpected bereavement.

Sylvester is survived by his mother, six sisters and three brothers: Mrs. W. C. Reed, of Troutville, John S. Brennan, of near Pania, Mrs. E. C. Reed, of Reynoldsville, Sadie, Etta, George, Della Brennan, Mrs. Raymond Eck and Eugene Brennan.
