AFTER THE GRIPPE Vinol Restored This Man's Strength

"Several years ago I was attacked by a severe case of grippe, which left me with a hacking cough, soreness in my chest, and bronchitis. I took nearly every kind of cough syrup sold on the market, besides medicine given me by physicians.

I received no permanent relief until my druggist asked me to try Vinol, and after taking three bottles I was entirely cured.

I believe Vinol to be the greatest blessing ever offered to the public, as it does what is claimed for it." R. E. R. Hicks, Maplesville, Ala.

The reason Vinol cures chronic coughs, colds and pulmonary troubles is because it contains tonic iron and all the healing and body building elements of cod liver oil but no oil. Vinol is also unexcelled as a strength builder for old people, delicate children, weak and run-down persons, and after sickness.

Night on Bald Mountain.

On a lonely night Alex Benton of Fort Edward, N. Y., climbed Bald Mountain to the home of a neighbor, tortured by asthma, bent on curing him with Dr. King's New Discovery, that had cured himself of asthma. This wonderful medicine soon relieved and quickly cured his neighbor. Later it cured his son's wife of a severe lung trouble. Millions believe it's the greatest throat and lung cure on earth.

Coughs, colds, croup, hemorrhages and sore lungs are surely cured by it. Best for hay fever, grip and whooping-cough. 50c and \$1.00. Guaranteed by H. L. McEntire.

Rugs 9 x 12 from \$10.00 to \$30.00. The biggest latest line we ever had in Kurdistan, Shiraz, Axminster and tapestry. We want to show them to you. C. R. Hall.

MICROBES IN THE SCALP

The Latest Explanation is That Microbes Cause Baldness.
Professor Uena of Hamburg, Germany, and Dr. Sabouraud of Paris, France, share the honor of having discovered the hair microbes.

Baldness is not caused through a few weeks' work of these hair microbes, but is the result of conditions brought about by their presence. Baldness may not occur until years after the microbes began work, but it is certain to come sooner or later.

"The microbes cut off the blood supply. They feed on the fatty matter about the root of the hair, through which the blood is absorbed. Finally the fatty matter is usually consumed, the food supply of the hair is gone and it starves and finally dies. Bacterin is one of the most effective germ destroyers; Beta Naphthol is both germicidal and antiseptic; Pilocarpin, though not a dye, restores natural color to hair when loss of color was caused by disease. These curatives properly mixed with alcohol as a stimulant, perfect a remedy unequalled for curing scalp and hair troubles."

We want everyone who has any scalp or hair trouble to try Rexall "93" Hair Tonic, which contains all these ingredients. If it does not grow hair on your bald head, stop your hair from falling out; cure you of dandruff; make your hair thick, silky, luxuriant; if it does not give you complete satisfaction in every particular, return the empty bottle to us, and we shall return every penny you paid us for it, without question or formality.

Of course, you understand that when we say that Rexall "93" Hair Tonic will grow hair on bald heads, we do not refer to cases where the roots are entirely dead, the pores of the scalp closed, and the head has the shiny appearance of a billiard ball. In such cases this, there is no hope. In all other cases of baldness Rexall "93" Hair Tonic will positively grow hair, or cost the user nothing. Two sizes, 50c. and \$1.00.
