Business Men Met To Arrange Reception

Well Attended Meeting Last Night Under Auspices Of Association.

The business men of Reynoldsville met in the room of the Business Men's Association last night to arrange a reception for the representatives of the Pittsburgh Chamber of Commerce who will visit Reynoldsville Friday, May 28th.

It was decided that representatives of every business house in Reynoldsville should be requested to meet in the Association room in I. O. O. F. hall at 10.30 o'clock Friday morning, from which place they will march in a body to the train and escort the visitors to the business district. At the train they will be formally welcomed by Mayor J. D. Williams.

Reception badges will be printed and every business man is requested to secure one as a mark of courtesy to the guests.

Numerous other important matters came up last night, and one project set on foot that will interest every citizen in town. At the meeting Friday morning it will be definitely decided whether the project will be carried through or not.

Another meeting of the Association will be held next Tuesday evening in the regular room. All citizens, whether members or not, are urged to attend.

A Bright Star.

Last week the Reynoldsville STAR entered upon the eighteenth year of an existence which has been an honor to the newspaper profession and a credit to the proprietor and editor, Clarence A. Stephenson. THE STAR has ever been a clean, bright and newsy paper and has never descended to cheap methods to achieve its present financial and artistic success.

In this connection we feel that a word of praise should be extended to Roman E. Koehler, foreman of THE STAR in its early years, and to its present foreman for the excellent typographical appearance of the paper which has ever been maintained. This is a feature that is usually omitted from similar congratulatory notices, but we feel that, in this instance at least, it is deserved.

We extend congratulations and best wishes to THE STAR, its editor and his force.—Sykesville Post-Dispatch.

Joseph Davenport Suffered An Apoplectic Stroke and Died In a Few Hours.

Joseph Davenport, of Beechwoods, died early Sunday morning of apoplexy, aged sixty-three years and two months. The stroke came suddenly. Mr. Davenport had been in declining health for some time but gave no sign of the approaching attack until about 4 o'clock Sunday morning. About that hour he awakened members of the family and made it known that he was feeling very ill. Everything that could be done for him speedily was resorted to, but in less than three hours he died.

The survivors of the family are Mrs. Davenport, to whom he was married in February, 1868,—her maiden name being Mary Daugherty—and six children, namely: Dr. Samuel M., of DuBois; William S., of Punxsutawney; Mrs. Jennie McCullough, of Falls Creek; Robert S., at home in Beechwoods; Dr. James B., Wilkesburg, Pa., and Mrs. Anna M. Jones, of Beechwoods.

Deceased was a member and staunch supporter of the Beechwoods Presbyterian church. He had held many offices of trust in his township and was an advocate of progress in everything pertaining to the welfare of the community.

His unflinching loyalty to the right, his genial disposition and ever-ready sympathy made him loved by the entire community. It was as a husband and parent that the character of Joseph Davenport shone with a lustre that time cannot efface. To the loving wife who had shared the toils of more than forty years, his only lament in the months of declining health that preceded his demise was for the loneliness that his death must bring to her. Born of Scotch-Irish parentage, and himself reared in that stern school, he insisted on implicit obedience in his children; yet so great was the love he gave them, so unselfish his devotion to their welfare, that to-day they gaze on the broken circle with tear-dimmed eyes and hearts that are heavy with deepest sorrow.—DuBois Courier.

Funeral services were held in the Beechwoods Presbyterian church at 10.00 a.m. yesterday, conducted by Rev. J. Vernon Bell, of DuBois, the pastor of the Beechwoods church being at DuBois, Col., attending the General Assembly of the Presbyterian church. Mr. Davenport was an uncle of Mrs. G. M. McDonald and J. M. Dally, of this place.

"The most merciless enemy I had for 20 years," declares Mrs. James Duncan, of Haynesville, Me., "was dyspepsia. I suffered intensely after eating or drinking and could scarcely sleep. After several remedies had failed and several doctors had given me up, I tried Electric Bitters which cured me completely. Now I can eat anything. I am 70 years old and am overjoyed to get my health and strength back again." For indigestion, loss of appetite, kidney trouble, lame back, female complaints, its unequalled. Only 50c at H. L. McEntire's.

4. Prof. A. M. Hammers, formerly City Superintendent of Public Schools in Punxsutawney, had been at work for a number of years on a series of views on the life of Christ. At the time of his death last winter he had completed his selection of views, but had not written his lecture to accompany them. By request Rev. C. W. Miner has written the lecture. On Tuesday evening (Rev. Miner will deliver this "Illustrated Lecture on the Life of Christ." This will be an interesting number to all, and of special interest to the people of Punxsutawney, who held Prof. Hammers in high regard.
5. Mrs. J. A. Crawford, of Bellevue, Pa., and Mr. Herman Eldredge, of Erie, Pa., both efficient State workers, will attend the Convention and discuss different phases of the Sunday school work.

7. The claims of the Cradle Roll, Home Department, Normal Department, etc., will be presented to the Convention by the respective heads of these departments and discussed by the Convention.
8. It will be planned to have as much time as possible for general discussion and Round Table Conferences. Come prepared to have your say.
9. Do not forget the Executive Session Wednesday morning. All pastors, superintendents and delegates are members. The work of this session will determine largely what shall be done next year.
10. The "Boy Question," the "Men Question," the "Teacher Question," the "Attendance Question," the "Temperance Question," the "Cigarette Question," and many more vital questions relative to Sunday school work will be discussed.
11. Watch for complete program in the county papers the week preceding the convention.
12. At the close of the Convention a list will be published of each school that has paid dues and the amount paid; also of the individual donations. Get your school's name and your own name on this list.

LAKE MONT PARK.

Wesley Motter Starts on Fourth Year as Landscape Gardener at this Resort.

While for some years Lakemont park has enjoyed the reputation of containing a large variety of flowers and more beautifully designed floral surroundings than any resort of the kind in the country, and has compared well in this respect with the public grounds found in the larger cities, this beautiful spot the coming season will be doubly entitled to this honor.

Wesley Motter, who starts on his fourth season as the landscape gardener at the resort, with a corps of assistants, are just now busily engaged in putting the flower beds and shrubbery in trim for the coming season. Mr. Motter during the past winter has planned a number of innovations in the way of designs and other floral make-ups that, for uniqueness and beauty, will eclipse anything in that line that has heretofore been seen at the place.

During the past winter Mr. Motter has propagated and cared for thousands of flower cuttings and plants which were kept in the park greenhouse. The more hardy of the flowers are now being set out in the beds at the lake, while yesterday some fifteen wagon loads were transferred to the hotbeds near Mr. Motter's home at the top of park hill.

While the plants which will be set out are almost numberless, the location of every one is provided for and Mr. Motter can tell you now where they will be seen during the summer. During the winter he prepared his blue prints, covering the principal flower beds, and when the time comes to set out the plants the assistants consult the print and find the exact location for every flower and plant.

Mr. Motter, during his incumbency as landscape gardener at the resort has proven to be the right man in the right place. He is tireless in his efforts to make the resort a place of beauty florally and that his work is appreciated is found in the commendation which is accorded this feature of the park from its thousands of visitors each season.—Altoona Mirror.

Mr. Motter was a former citizen of Reynoldsville.
