MEMORIAL DAY OBSERVED.

Large Number Citizens Attended the **Cemetery** Ceremonies

It has been the custom of the Grand Army of the Republic since the observance of Decoration Day, now known as Memorial Day, to observe the Sunday preceding May 30 as Memorial Sunday, but as May 30 fell on Sunday this year and the Grand Army Post decided to observe May 31st as Memorial Day, then last Sunday was observed as Memorial Sunday. Union services were held in the Methodist Episcopal church. The old soldiers, Sons of Veterans and members of the Women's Relief Corps, attended in a body. Rev. John F. Black, pastor of the church, preached the sermon, which was a very able and interesting one and was listened to very attentively by the large congregation present.

Memorial Day the martial band, Sunday schools, P. O. S. of A., Sons of Veterans and Grand Army Post members formed in line on Main street at 9.00 a. m. and marched to the Reynoldsville cemetery where the Memorial Day program published in THE STAR last week was carried out. On account of the pleasant weather there were more people in the cemetery for the Memorial service this year than there have been for several years. The Sons of Veterans firing squad and decorative committee visited the various cemeteries in this immediate vicinity where are buried soldier dead and fired salutes

An Old Fashioned Party. A very pleasant social affair was held at the home of Mr. and Mrs. G. W.

and scattered flowers.

Sykes, on Jackson street Saturday, May 29th, it being the 60th anniversary of Mr. Sykes' birth. Invitations were issued to a number of his relatives and school day friends, to attend an old fashioned birthday party. It is usually week. difficult to assemble a social gathering of the old school, but the words "old fashioned" seemed to be the drawing

card, and most of the white haired fellows responded. Mr. Sykes is widely known in this community, having been in the woolen mill business in Reynoldsville for the past 30 years, in-fact establishing the woolen business in this region, and still operating very successfully the Skyes Woolen Mill in this place. He was born in Grampian, Clearfield Co. sixty years ago, and spent his boyhood days at Stump-Creek, in the region of Sykesville. Guests were present from Clearfield, Curwensville, Punxsutawney, DuBois, Sykesville, Troutville and Bridgeport. Many of these were the boys and girls who had tasted of the hickory stick with him fifty years ago.

At about 2:00 p. m. all sat down to a sumptuous repast, served in the old fashioned style, to which all did more than ample justice, proving that those present still enjoyed good health and good spirits. After dinner the old folks repaired to the verands and lawn to talk over old times, while the younger set played games and enjoyed instrumental music. About 6:00 p. m. the guests departed for their homes, all congratulating Mrs. Sykes upon the success of this unique affair, and wishing there would be many more "old fashioned" parties.

This was also a reunion of Mr. Sykes' family, all being present except the oldest son, Harry, who is now located in Alberta Co., Canada. A GUEST.
