NICKELODEONS MUST SUSPEND

Drastic New State Law Will Compel Local Places To Close Soon.

FISHER WILL ERECT BUILDING

The requirements of the law that was passed by the recent Pennsylvania State Legislature compels the Bijou and Wonderland nickelodeons of Reynoldsville to close up because the proprietors cannot comply with the law in the buildings they occupy.

The law requires a steel cage for the machines, a centre and two side aisles, each of a width of not less than four feet in the clear, and a continuous and unobstructed passageway to the main exits.

M. M. Fisher, proprietor of the Bijou, will erect a one-story brick, 50 x 80 feet, this summer, in rear of the Bijou, which will comply with the requirements of the law and will give him a large room for picture shows and other more expensive shows. The room now used for nickelodeon will be fixed up for store room and the room now occupied by Rogers' cigar store will be used for an entrance into the new nickelodeon or playhouse. The building will be erected with the view of some time later putting in galleries and making it an up-to-date theatre. Mr. Fisher owns fifty-six feet front and will not have to buy the land from some other parties for his new picture show building.

HAD ENJOYABLE TIME.

Punx'y Girls the Honor Guests at Musical Given By Cadenza Minstrels.

Misses Iox and Emma Vell, Twila Fress, and Susan Carter, Wednesday night were the honor guests at a prize musicale given at the home of Mr. and Mrs. Harry McEntire, of Reynoldsville, under the auspices of the Reynoldsville Cadenza Orchestra.

Following a fine musical program the guests were given lists on which were printed the notes of the first bars of 20 national and popular airs. Miss Susan Carter carried off the honors by naming the greatest number of songs represented, for which she received a beautiful vanity set.

The musical hit of the evening was "June Bug Waltz," composed Wednesday for the occasion by Arthur Haskins, the well-known Reynoldsville composer.

Following a delicious lunch, which was served at the McEntire home, the Punxutawney guests returned home, with the impression firmly established that the hospitality of the McEntires and the ingenuity of the Cadenza Orchestra, of which Mr. Haskins is the leader, are not easily excelled.—Punxutawney Spirit.

TELEPHONES TAKEN OUT.

Pennsylvania Railroad and The Summerville Telephone Co. Agree to Disagree.

WILL CAUSE INCONVENIENCE

When the Summerville Telephone Company lines were first built in Jefferson county the company made arrangements with the Pennsylvania Railroad Company to use its telegraph poles in connecting up some of the towns and thus keep down the expenses of the new telephone company. For the privilege of stringing wires on these poles the Summerville Telephone Company installed telephones in the P. R. R. telegraph offices and freight stations. Several years ago the poles on which the Summerville Telephone Co. wires were strung were cut down, but the 'phones were not removed and the railroad company had free use of the 'phones. Some time ago the Summerville Co. decided to charge the P. R. R. Co. for 'phones same as other companies and individuals who use its 'phones, but the railroad company refused to pay for the 'phone service and on Thursday of last week, June 24, after being unable to make satisfactory arrangements with P. R. R. Co., the Summerville Telephone Co. removed its 'phones from the offices and freight stations of the railroad company, and now when merchants and other business men who have Summerville telephones, want to do any business with the P. R. R. Co. they will have to walk over to the office of the company.

To Our Subscribers.

We have several hundred subscribers who owe us back subscriptions and we take this means of informing those that we would like very much if they would be kind enough to remit what is due. By looking at the date on your paper—first figures is the month, second figures day of month, and last figures the year, for illustration 5 11 08, means May 11, 1908,—you will readily see whether you are one of those in arrears, and if you are just mail us the amount. Do not expect us to notify you by mail, as it costs money to use postage stamps. Glance at the date on the paper opposite your name and if you are in arrears be kind enough to remit the amount, as every little helps.

Rich Men's Gifts are Poor

Besides this: "I want to go on record as saying that I regard Electric Bitters as one of the greatest gifts that God has made to woman, writes Mrs. O. Rhinevault, of Vestal Center, N. Y. "I can never forget what it has done for me." This glorious medicine gives a woman buoyant spirits, vigor of body and jubilant health. It quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells: soon builds up the weak, ailing and sickly. Try them. 50c at H. L. McEntire's.

Prof. Nelson, One Of The Most Sensational Aeronauts In America, Has Been Secured to Give Afternoon and Evening Ascensions In Reynoldsville Independence Day, July 5th.

BALL GAMES, RACING, FIREWORKS, DANCING AND MUSIC

Skesville Band With Twenty Pieces and the Royal Italian Band of Thirty Pieces Engaged To Head the Civic Parade and Give Free Band Concerts During the Day.—Liberal Prizes Offered in the Races.—Dancing in the I. O. O. F. Hall in the Evening with Good Music. Display of Fireworks and Gay Illuminations.—Confetti and Fun; Mirth and Merriment.

THE committee having in charge the Fifth of July celebration in Reynoldsville has made good its promise to arrange a program that will make the local observance of the day the biggest and best of its kind in this part of the State. Friday last they clinched their claim by contracting for two sensational balloon ascensions on the afternoon and evening of the Fifth by Prof. Jack Nelson, an aeronaut of wide fame throughout America. This will be the central amusement feature of a day filled with entertainment in the way of baseball and football games, foot and bicycle races, athletic contests, dancing, band concerts and pyrotechnical illuminations. Nothing that it is possible to do has been left undone by the gentlemen behind the movement. As has been repeatedly stated, this is not a money making scheme, the sole object being to furnish a rousing good time for everyone who comes here that day. Incidentally, reports indicate that the crowd is coming, too, in numbers larger than ever since the glorious days of the Old Home Week. It is the only really big celebration in the western central portion of Pennsylvania and with the balloon ascensions, as its crowning feature cannot fail to draw the crowds from far and near.

Of Nelson's great aerial feat little need be said. His gigantic balloon will be inflated on the balcony during the progress of the game between Reynoldsville and Eleanora. At its close the ropes will be cut and the daring aerialist will mount with incredible velocity until the huge bulk of the balloon appears but a speck in the blue heavens. When at its zenith, thousands of feet above the watching multitude below, Nelson will cut loose his parachute and make his dizzy, death-defying descent to earth. This will be repeated again in the evening, when, there is reason to believe the feat will be witnessed by fully twenty thousand people.

Everybody likes music and the committee has contracted with two bands to furnish concerts that day. The Skesville Silver Cornet Band of twenty pieces under the leadership of Richard Ramsey, old favorites of the local people, will be present, as well as the Royal Italian Band, an organization of thirty Italian musicians who have gained much prominence in recent years. In honor of the presence of these musicians Italian orders having several hundred members in the county have arranged to be present and march in the parade.

In honor the day and of the city's guests that day, it is asked that all local people decorate their places of business or residence on the Fifth. An effort is being made to have arches erected and decorated and if this is done, with the aid of private decorations Main street will present a very beautiful appearance.

Most of the races and contests will be conducted on Main street where all may witness without charge. The amusement committee has received many applications to enter the various contests, the liberal cash prizes making it well worth any person's time to compete.

Beside the balloon ascension in the evening, there will be a display of fireworks and gay street illuminations rarely seen. Confetti will be on sale and with a big, jostling, merry crowd on the street the day will close with a carnival of fun and merriment worth a year of life to participate in. For those who wish to dance, a ball will be held in the I. O. O. F. hall. A good orchestra has been engaged for the occasion.

The program presented below is incomplete and subject to change. Everything advertised, however, will be given and probably more.

THE PROGRAM OF THE DAY.

Model of Palestine.

There are at Chautauqua two things of unique and special interest; one is the model of Palestine as laid out nearly a generation ago, a raised map of 300 feet in length, and by the unsolicited gift of a friend of Chautauqua, remodelled and repaired in 1907. Frequent lectures are held there. The other object referred to above is the Hall of Christ, a beautiful building of stone and brick, begun in 1899 and finished in 1908. This is designed for use in classes in the Life of Christ, and for services of devotion and praise. It will contain a library of books dealing with the Life of Christ, and a collection of photographs illustrating the same theme. The building is designed to symbolize the spirit of Chautauqua.

Made Good Impression.

Rev. Charles E. Rudy, pastor of the Trinity Lutheran church, who took up his work at this place last Sunday, made a very good impression with his congregation, and things look favorable for a successful pastorate here. He is a genial and pleasant gentleman. June has been a busy and somewhat exhilarating month for Rev. Rudy, one he will never forget, for in this month he graduated from the Lutheran Seminary at Philadelphia, was ordained to the ministry, married a wife, moved to Reynoldsville and began his first work as a regular pastor of a church.

The Town Kicker.

The kickers on the farm are not so hard to get along with as the kickers in town. On the farm there is the kicking cow, and our long-eared friend, the mule, while in town there is the old moseback who wants all the municipal improvements without paying for them. The cow may be sold for beef, the mule traded for a shot gun, but nothing but a funeral will get rid of the town kicker, remarks an exchange.

Unique Feature.

One of the features of "Old Home Week" at Punxutawney will be the presence of men and women who are 80 years or over who are residents of the place or its proximity. The Spirit, which has involved the pleasing idea, has secured the names and acceptance from 33 octogenarians and nonoctogenarians to sit for a group picture. The oldest is Mrs. Elizabeth North, who is 94. Martin Schloven-sky is 93. Mrs. Barbara Ellwood is 92 and George Grube 90. The ages of the others range from 87 to 80 years.

The lecture will be illustrated by a large colored chart 24 feet long. Rev. Earle has given these lectures extensively throughout the United States and Canada. As the Sunday schools are spending a year in the study of this subject, this will be an opportunity for all Bible students to obtain a bird's eye view of this important field. The lecture will be free. A voluntary offering will be received.

NELSON'S FEAT

WAS ARRESTED AT KITTANNING

Constable Higgins Lands Man Wanted On Charge Of Robbery.

IS NOW IN BROOKVILLE JAIL

Charles Guyer and Michael Singlebach were taken to the county jail Monday afternoon on charge of robbery preferred by Henry Reekie, of Reynoldsville. The robbery is supposed to have been committed at the home of Mr. Singlebach on the night of April 17, 1909. The plaintiff claims he lost \$85.00. A warrant was issued at the time, but Guyer skipped and the case was, apparently, not given any special attention until last Friday when Constable W. W. Higgins went to Kittanning and arrested Guyer and brought him to Reynoldsville that evening. Monday forenoon Guyer and Singlebach were given a hearing before Squire Neff and as it is not a bailable offense the two men were taken to jail. It is claimed that the money was given to another fellow to return to Mr. Reekie and that he kept the money and spent it, and he, too, will be implicated for receiving and using stolen money.
