

A Disappearing Non-Greasy Skin Cream

Harmony Skin Cream is a dainty toilet requisite for making the skin clean, clear, firm, fresh and healthy. It will act to promote and preserve a beautiful complexion and create a good contour to the skin when rightly used as a massage.

Harmony Skin Cream does not stain. It is absorbed by the skin readily. Gloves or other dress may be worn directly after the Cream is applied. It has a tendency to whiten the skin and give a rosy hue to complexions.

Put up in beautiful oval jars, tied with red ribbon. Beyond doubt the most exquisite package and preparation now on the market.

RESSLER-LUTTRINGER NUPTIALS

Ressler, son of Mr. and Mrs. Samuel Ressler, who has been a linotype operator in the Daily Democrat office at Johnstown, Pa., a couple of years, was united in marriage to Miss Anna Martina Luttringer, daughter of Mr. and Mrs. Valentine Luttringer, of Johnstown, Pa., on Tuesday, June 23rd. They visited Mr. Ressler's parents in this place last week while out on their wedding trip.

Mr. Ressler, who was an employe in THE STAR office for four years, is an honorable and trustworthy young man without any bad habits and with good prospects of a successful future. We understand he got an excellent young lady for a life companion. THE STAR joins with Mr. Ressler's numerous friends in this section in extending good wishes.

Still Young in Spirit.

S. T. Hoover, of Win-low, Gaskill township, Jefferson Co., father of Dr. B. E. Hoover, of Reynoldsville, who will be 86 years old the first of the coming year, is as robust and as active as a man of 65 years, and is as young in spirit and as ambitious as the majority of men at the age of 50 years. The Flathead Indian Reservation in Montana will soon be dishd out free by the U. S. Government in 100 acre farms, and old soldiers are to have the preference. Notwithstanding the fact that Mr. Hoover has lived almost sixteen years over three score and ten—the allotted time of man—yet he has made application for a tract of this land and if he gets it he will go to Montana and live a year on the land, as required by the government. Mr. Hoover is an old soldier. He was in town last Friday.

Attended Luncheon in DuBois

Last Friday thirteen young and handsome maidens of Reynoldsville attended a luncheon given by Miss Helen Merris at her home in DuBois. Notwithstanding the fact that some people are superstitious about thirteen, think it is an unlucky and a hoodoo number, these thirteen young ladies had just as delightful and jolly time as they could have had if there had been twelve or fourteen in the party. Nothing unlucky about thirteen in this case. The following misses composed the Reynoldsville guests at the luncheon: Cora and Ruth Mitchell, Hazel McCreight, Dorothy Elliott, Tee Evans, Gertrude and Florence Stoke, Rosie Hughes, Fay Neale, Berna Hoover, Mayme King, Esther Bell, Florence Green.

Miss Florence Euber, of Butler, will sing in the M. E. church at this place next Sunday morning and evening. She is a sweet singer.

At a rousing meeting of the Executive Committee last week, it was decided to put \$4,000 into the Old Home Week celebration, at Punxsutawney, Aug. 22-28. There is not the slightest doubt, judging from the manner in which the subscriptions are pouring in, that any difficulty will be experienced in raising this sum. The program for the week has been completed, and all sub-committees are reporting wonderful progress.

Charles A. Herpel, wife and daughter, Miss Lena, and Heery Herpel and wife were at Punxsutawney last Wednesday evening attending the wedding of Miss Margaret Shields Lanzendorfer, daughter of Mr. and Mrs. John Lanzendorfer, and William W. New Line to Clarion.

The Summerville Telephone Company has just completed a new copper line between this place and Clarion, a direct line having been placed at a considerable expense. In view of the extraordinary expense incurred in arranging this service, the company's directors, at a recent meeting, decided to make this line a toll line after July 1st. The toll rate from Brookville to Clarion will be 15c, a proportionate rate will be charged from other points. The company expects to give first-class service between points now reached by their lines and Clarion, something they have been unable to do in the past, but the expense which they have been under in putting this new direct line has been too great to allow them to grant free service, much though they would like to do it.—Brookville Republican.
