PENNSYLVANIA RAILROAD

BULLETIN.

FORTY PLAYGROUNDS BY THE SEA.

This is seashore time.

The dog days call to the worker in home, office and mill and the answer brings up thoughts of the many resorts beside the sea where comfort, recreation and pleasure alike await the coming of the holiday-maker.

Along the shores of New Jersey from Cape May to Sandy Hook lie forty beaches, each offering delights for outings long or short and each easily accessible by the splendid train service of the Pennsylvania Railroad.

Atlantic City, with its myriad attractions for young and old, needs no introduction, for its charms are known from the Atlantic to the Pacific.

Cape May, for a century the summering place of satisfied thousands of seekers after cool breezes, fine bathing, and the refined amusements of the seaside, is more attractive than ever in its new life.

Ocean City, Wildwood, Sea Isle City, with their smaller neighbors, Anglesea, Holly Beach, Wildwood Crest, Avalon, and Stone Harbor, afford summer pleasure to thousands.

To the north lie Beach Haven, Seaside Park, Island Heights and the other resorts about Barnegat Bay, where the lover of fishing and sailing finds the choicest sport.

Asbury Park, Ocean Grove, Spring Lake, Long Branch, Sea Girt, Point Pleasant, Allenhurst, Elberon, and Belmar on the Upper Coast where the country meets the sea right on the beach, appeal with mighty force to the vacationist.

Sixteen-day excursions to the majority of these resorts, at specially low rates, leave on July 29, August 12, 26, and September 9.

Any Pennsylvania Railroad Ticket Agent will be glad to give to give full information regarding excursion rates, time of trains and arrange your outing whether it be for a day, a week, a fortnight, or the whole summer.
