It is likely that town council will have a Summerville telephone put in Chief-of-Police F. P. Adelsperger's residence in east end of town for a two-fold purpose. To call the chief chief when he is needed quickly and to send in fire alarms from that end of town. It is claimed that had there been a telephone near to give the fire alarm Mrs. Shower's house could have been saved Aug. 1st.

Girls, listen to your mothers; you will never regret it. No matter what your advantages are above what hers were, you are no better. You can rest assured that it is not book learning or knowledge of fashion that will keep your feet away from the many pitfalls that she can warn you from, in a tender, loving fashion that you would do well to heed. No matter how mothers may speak, you may rest assured their hearts are in the right place, and that they want their daughters to be innocent and good rather than fashionable.

The Methodist people of Brookville are moving forward in the matter of building a new church. Plans for the building have been adopted, subject to such modifications as may be agreed upon, and these plans have been adopted by the official board of the congregation. As soon as the Quarterly Conference meets, which will be in a couple of weeks, these plans will be approved by it and then the specifications will be prepared, and all will be ready to advertise for proposals for the erection of the building. The proposed new church is to cost from \$30,000 to \$35,000 for the building, and completed and furnished will cost from \$30,000 to \$45,000, exclusive of the lot on which it is to be built. — Brookville Democrat.

False Alarm.

Some person saw the smoke and blaze from burning stump pile near the macaroni factory Monday forenoon, mistook it for a burning building and yelled fire. The alarm was given and the East End Hose Co. promptly responded to the alarm.

COUNCIL MEETING TUESDAY.

New Sidewalks Ordered Built—East End Residents Ask to Have 'Phone For Fire Alarm Purposes.

The regular meeting of town council was held Tuesday evening, August 3rd, with following members present: J. V. Young, president, Jacob Delbie, August Baldauf, Dr. J. C. King, David R. Cochran.

Ex-Tax Collector Wm. Copping reported having collected following taxes in month of July: \$33.71 1907 tax and \$132.06 1908 tax.

Tax Collector S. J. Burgoon reported having collected \$396.94 taxes during July.

Chief Burgess Williams reported having collected \$25.00 in fines and licenses during month of July.

Council was requested to have a telephone or some other means provided for giving alarm for fires in east end of town. The matter was referred to the borough property committee to make a full investigation, and also gave the committee power to act.

The street committee reported that several new sidewalks were being put down, and just as soon as the time limit of notices expires, the sidewalks will be built by the borough where people notified to build have failed to do so.

The burgess was instructed to notify several people to build sidewalks. Bills amounting to \$700.00 were paid.

Child Killed By Trolley.

Alexander, the three-year-old son of Mr. and Mrs. Geo. Gillotte, living in the east end of town, was struck by the DuBois trolley due here at 7:15 Thursday evening and was instantly killed. The tot was following its father, who had gone to a neighboring house, and was crawling up the embankment to the tracks when first seen by Motor-man Smith, who applied the air and made a desperate effort to stop the car, which was then only a few feet from the child. Despite his efforts the car steps struck the child on the side of the head and when picked up it was found that its neck had been broken and life was extinct. Medical aid was summoned, but was not needed.

The little body was carried into the home of its parents, directly in front of where the accident occurred, and a message was despatched to Coroner J. C. Sayers, of Reynoldsville, but he was away from home at the time.

If there to have been an unavoidable accident and that the motorman did all in his power to avert it, consequently no blame can be placed upon him. — Sykesville Post Dispatch.
