

August Clearance Sale

Our Greatest Price Lowering and Stock Event--A Period of Value Giving Without Parallel in This City

Clearance here means the complete closing out of many lines of seasonable goods—a clearing of counters, shelves, show cases and tables of Summer merchandise. No half-hearted or half way measures are permitted at this store. We intend to sell no matter how great a sacrifice is necessary to clear the docks.

The price drop is deep and decisive—imperative and urgent. The backward Spring caused assortments to be greater than they should be at this time—hence prices are cut lower than usual to quickly clear away these stocks.

All who value thrift and appreciate economy will welcome these matchless savings on needed and seasonable goods. This sale will be a crowd bringer and great rewards will result to every purchaser. Don't fail to attend this sale and judge for yourself how truly extraordinary these values are.

Our sole purpose is to clearance—cost and profit are no longer things to be considered. The goods must sell—and sell they will to the lively tune of quick-stepping prices. Read all the items—they point the way to the greatest savings you ever had the opportunity of sharing in. Early shopping is advisable—first choice is best.
