Sanity at Last.

It is stated that hereafter all roads to be made by the state will be of brick. No more macadamized roads will be made. They are too expensive to keep up. The brick roads will cost about a third more to construct, but will cost almost nothing a year for repairs.

Incidentally it may be remarked that the officials of Reynoldsville borough and Winslow township had the foresight and courage three years ago, when there was hardly any brick paving done with state aid in rural districts to insist on the use of brick in and on the highways out of town. Their judgment has been vindicated. The extra initial cost of brick is nothing compared to the continual expense of repairs necessary on macadamized roads.

The Secret of Long Life.

A French scientist has discovered one secret of long life. His method deals with the blood. But long ago millions of Americans had proved Electric Bitters prolongs life and makes it worth living. It purifies, enriches and vitalizes the blood, rebuilds wasted nerve cells, imparts life and tone to the entire system. It is a godsend to weak, sick and debilitated people. "Kidney trouble had blighted my life for months," writes W. M. Sherman of Cushing, Me., "but Electric Bitters cured me entirely." Only 50c at H. L. McEntire's.

Notice.

The West Reynoldsville school board will receive bids until September 7, 1909, for furnishing good mine run coal for the coming term; also, bids for janitor. The board reserves the right to reject any or all bids.

By order of the Board,
O. H. JOHNSTON, Secretary.

Revolts at Cold.

"Your only hope," said three doctors to Mrs. M. E. Fisher, Detroit, Mich., suffering from severe rectal trouble, lies in an operation. "When I used Dr. King's New Life Pills," she writes, "I was wholly cured." They prevent appendicitis, cure constipation, headache. 25c at H. L. McEntire's.

A few students can yet be accommodated in the dormitories of the Lock Haven State Normal School for the fall term beginning Sept. 6th. The school is usually filled during the entire year, hence the number of rooms are limited. You will make no mistake if you select this thoroughly established school. Write for a catalog.
