They will also entertain themselves with greetings and conversations with each other, affecting meetings of those who have never seen each other before, and curious provincialisms brought in by those from the more obscure parts of the continent. This is a very select and exclusive party. None are admitted from Boston and San Francisco. To emphasize the exclusive nature of it, admission will be only by ticket, which may be procured at Stoke's drug store. Admission 25 and 35 cents. JOHN S. WARNICK DEAD.

Died at Noon Wednesday From Cardiac Failure—Had Been on the Street Monday. John Sharp Warnick, son of Mr. and Mrs. George W. Warnick, died at the home of his parents on Main street at 12.10 p. m. Wednesday, November 3, 1909, after a short illness. Death was due from cardiac failure. The announcement of his death was a great surprise to the citizens of Reynoldsville and to his friends in particular, as it was not known that he was ill. He was out on the street Monday evening, but was not feeling well. He laid around the house all day Tuesday and it was not until ten o'clock Tuesday night that it was thought necessary to call a physician. John S. Warnick was born in Big Soldier, Pa., July 4, 1865, and was 44 years, 3 months and 29 days old at time of death. When about nine years of age his parents moved to Reynoldsville and he became well known to the citizens in this community. He had the happy faculty of making friends wherever he went. He attended the public schools of Reynoldsville, the academy at Dayton, Pa., and graduated in the Commercial College of Titusville, Pa., in 1884 and was well fitted for bookkeeping and business. He was of a generous disposition and ready to help any one in any way possible. Funeral service was held at the family residence Friday afternoon, conducted by Rev. A. D. McKay, of the Presbyterian church, assisted by Dr. A. J. Meek, of the Baptist church. Interment was made in the Reynoldsville cemetery. Deceased is survived by his parents and one sister, Miss Angea Warnick.

Cannot Blame Property Owners. Judging from the number of trespass notices we have sold within the past two or three weeks, nearly all the farms and woods in this section of the county must be posted. One patron this week told us the hunters shot and killed a cow for him last year while another said he and his wife narrowly escaped being filled with shot while walking through their own front yard. One cannot blame property owners for prohibiting hunting and trespassing when their property is destroyed and their lives jeopardized.—Punxsutawney Republican. Adenoids Removed. Yesterday Dr. J. C. How Much Paid In.

Approximately \$27,000,000.00 have been paid out by the Pennsylvania Railroad Employees' Relief Funds in the past twenty-three years. This fact was brought out in a report issued October 29th, 1909, by the Company, which also shows that in the month of September the benefits amounted to \$147,014.96. The Employees' Relief Fund has been a great benefit and blessing to many a railroader, or his family, and, therefore, is a commendable organization, but some people who read the reports furnished to the newspapers by the company, get the impression that the railroad company sets aside the amounts required to pay demands on this fund from time to time, as there is never any statement published as to how much has been paid into this relief fund. All employes who expect to get any benefit from the Relief Fund are assessed so much per month, according to the amount they are to receive in case of sickness or injury, or the amount the family is to receive in case of the death of the employe.
