Reynoldsville Girl Writes From India

Continued from First Page
used to it now. They never hurt people unless they are very hungry and there is so much to eat around here that no one is afraid of them.
We see all kinds of worshippers here and it is so sad to see some of them. I do so long to reach the girls and boys. There are so many of them around here and they do appeal so to me.

Last Sunday we had about twenty-five in the Sunday school who had never been there before and the same cry we so often hear at home came to me: "No one to teach them." Very often they are very dirty and yet they seem so anxious to get in. I will be one more teacher when I can speak properly. With the folks who came last Sunday, there was a goat and the first thing we saw was Mr. Goat having a gambol right in the center of the church and none of the schoolers even smiled. The janitor led it out with no excitement whatever and had to watch so that it did not come in again.

These women and children wear rings in their ears and noses and they also wear anklets and bracelets. Sometimes when you hear them coming you might mistake them for strange sounding sleighbells. The Christians wear few of such things compared with non-Christian.

Must close as duties are pressing. With best wishes and a prayer in my heart for you, I am,

Your fellow worker,
ELSIE ROSS.

You Get Style Plus Quality

A SERIOUS condition of the Clothing trade today is a continuous sacrifice of style for quality, or quality for style, to maintain a sensible cost. A few makers do combine style and quality, but you know it results in an exorbitant price.

Let us tell you the problem to combine style and quality, yet keep the cost within the limits of the average man, is solved in Clothcraft Clothes. Clothcraft makers have blazed the trail in their scientific tailoring methods.

We investigated the clothing market thoroughly and were independent, because we wanted to offer you the very best the country afforded. And we are proud to be known as the Clothcraft Store.

CLOTHCRAFT All-Wool Clothes \$10 to \$25

Clothcraft are the only clothes that guarantee you both style and quality at popular prices. We and the makers take all the risk; you take none.

Hair Health If You Have Scalp or Hair Trouble, Take Advantage of this Offer

We could not afford to so strongly endorse Rexall "93" Hair Tonic and continue to sell it as we do, if we were not certain that it would do all we claim it will. Should our enthusiasm carry us away, and Rexall "93" Hair Tonic not give entire satisfaction to the users, they would lose faith in us and our statements, and in consequence our business prestige would suffer.

Therefore, when we assure you that if your hair is beginning to unnaturally fall out or if you have any scalp trouble, Rexall "93" Hair Tonic will promptly eradicate dandruff, stimulate hair growth and prevent premature baldness, you may rest assured that we know what we are talking about.

Out of one hundred test cases Rexall "93" Hair Tonic gave entire satisfaction in ninety-three cases. It has been proved that it will grow hair even on bald heads, when, of course, the baldness had not existed for so long a time that the follicles, which are the roots of the hair, had not become absolutely lifeless.

Rexall "93" Hair Tonic is vastly different from other similar preparations. We believe that it will do more than any other human agency toward restoring hair growth and hair health. It is not greasy and will not gum the scalp or hair or cause permanent stain. It is as pleasant to use as pure cold water.

Our faith in Rexall "93" Hair Tonic is so strong that we ask you to try it on our positive guarantee that your money will be cheerfully refunded without question or quibble if it does not do as we claim. Certainly we can offer no stronger argument. It comes in two sizes, prices 50 cents and \$1.00. Remember you can obtain it only at—The Rexall Store.

For Most People It Is Easier to Earn Money than to Save It.

But your earning ability will not continue indefinitely, and it is therefore important to save while you can. Make it a rule to deposit in this strong bank regular installments of your wages. This will provide you with an income when earning money is not so easy and for emergencies like sickness and bereavement.
