Gross Breach of Etiquette.

On Sunday night last during the rain, some parties (names withheld on account of family connections) came upon the premises of the undersigned in Winslow township and feloniously and with malice aforethought did forcibly enter the barn and take away without due process of law, one hiefer calf of the tender age of seven months at last birthday, and of the value of \$15 00, as already reported to the census enumerator of said district. If they think the price too high would be willing to take back the calf.

On Monday morning when the empty stall was discovered the trail of the calf was taken up and followed to road at or near the Jenks school house, where the tracks showed a rig bad been in waiting, and the calf's tracks were no longer visible to the naked

A reception committee has already been named, consisting of the watchdog, the shot gun, et. al.

The shot gun is recharged and ready for discharge without further notice. The dog will be tied loose without a muzzle-(confound the muzzle anyway; it looks like letting down the bars and making it easier for the unscrupulous to prey on your property) and should the same parties or any of their lik decide to repeat the performance their may be something doing.

Viewing the affair from an impartial standpoint we are of the opinion that the whole proceedings were illegal and unjustifiable under the circumstances, and altogether unappreciated. And further deponent saith not. (The balance is done in thinking.)

Baseball in Reynoldsville.

There is nothing that advertises a town as well as baseball and the business men should see that a team is well supported.

This year Reynoldsville has a chance to have a fast team, if it will give the necessary support. Mr. Fisher has generously offered the ball team 50 per cent of the receipts of the theatre on the night of May 5th and everybody should attend that night.

The team will play under the name of "Scholastics" and will be made up as follows: Reed, catcher; Weinstein and Haggerty, pitchers; F. Bohren, captain and shortstop: J. Bohren, first base; Cochran, second base; DeHart, manager and third base; Hoffman, Baum, Nolan, Keagle and Shutt out-

Weinstein is a new man to Reynoldsville fans and one who will make them sit up and take notice. Last Saturday day. he pitched a no-hit game, securing 21 strike outs, against Clearfield. Cochran and Keagle are both fast players in field and on the bases. If the ground is in shape an effort will be made to open the season on Saturday with Helyetia or Sykesville.
