

AUGUST CLEAN-UP SALE

Now for the Final Price Sacrifices on Every Remaining Line of Goods

Already the beginning of the fall season looms high on the horizon. New summer goods must go finally and completely. The need for more room daily becomes more urgent. Only one way to make room—all remaining summer lines must be closed out at once.

The situation calls for drastic action and so down drops prices to smallest figures of the year. Buying at this sale means buying with utmost economy.

We reserve practically nothing from this sweeping price cutting. Every department enters enthusiastically into the clean-up. The items tell the story of unusual savings—read them all.
