

COLUMBUS DAY IN REYNOLDSVILLE

Great Plans Being Laid For The Italian Celebration In Reynoldsville.

Arrangement for the reunion of the Princess' Helena Italian Society in Reynoldsville on October 12th, Columbus Day, are progressing satisfactorily. The society meets every Sunday afternoon in the I. O. O. F. hall, Reynoldsville and at its last meeting committees were appointed to carry on the work, and a strong and business-like organvization perfected to insure the success as follows: President, Joseph Schillaci, firse vice-president, Leonard D'Addario, secretary, Paul Orlando; treasurer, Gabriel Mancusi; financial committee, Leonard D'Addario and Gratano Dippillo.

The latter committee has already accomplished much good work in the way of raising funds to carry on the proposed program, which is elaborate and worthy the support of the local business men. The Italian-American residents of Jefferson county form one of the largest and most important elements of the population and the good will shown by our business men to this order, which represents a large portion of the Italian citizenship of the counties of Jefferson, Indiana and Clearfield, will not be wasted. The men at the head of the proposed reunion are all well known business men of Reynoldsville who may be depended upon to give the people all that they promise.

The program they contemplate arranging will be published in full later. It incluties besides the events of interest to the order races and contests which will interest all and draw a large crowd to town to witness them.

Mrs. Margaret A. Kougher, wife of William Kougher, died suddenly at her home in South Winslow town hip Friday, August 19th, under peculiar circumstances. She had prepared to do the evening milking and was alone at the time. Shortly after she commenced milking a member of the family eame to the spot and found Mrs. Kougher lying on the ground, in a dying condition. She could not speak and passed out of existence in a few momente. A heavy electrical storm was passing at the time and it was at first thought that she had been shocked by lightning. Later the conclusion was reached that death was due merely acute dilatation of the heart.

The funeral was held Sunday at the Paradise M. E. church, conducted by Rev. J. C. McEntire, of Reynoldsville,

Bert A. Hoffman Will Wed Proposed Brookville-DuBois-A Clearfield Girl To-Day.

At high noon to-day, Wednesday, August 24th, at the home of Mr. and Mrs. Isaac Stage, in Clearfield, their daughter, Miss Anna Stage, will be united in marriage to Bert A. Hoffman, son of Mr. and Mrs. F. S. Hoffman, of Reynoldsville. The ceremony will be performed by the Rev. B. A. Satter, pastor of the West Clearfield Methodist Episcopal church, in the presence of the immediate relatives of the contracting parties. Following the ceremony a wedding dinner will be served at the home of Mr and Mrs. Stage, and during the afternoon the newly married pair will leave on a short wedding trip to Altoona and other cities.

At the close of the honeymoon Mr. and Mrs. Hoffman will return to Reynoldsville and spend a few weeks here preparing to leave for their future home in Puerto Rico. Mr. Hoffman has received an appointment as a teacher in the government public schools in Puerto Rico at a good salary. With his bride he will sall from New York City September 3rd for their island home.

The groom is well known to nearly all local people, having spent his entire life in the town. A graduate of the Reynoldsville high school, he is also in the senior class of the Dickinson Law School at Carlisle, Pa., and will probably some day complete the law course and be admitted to the bar. The bride is also acquainted with many Reynoldsville people, having visited here frequently. She is a graduate of Bucknell University, at Lewisburg, Pa., and highly accomplished in all the arts that lend charm to the sex. She is fitted in every way to be the help-mate of Mr. Hoffman in the work he has chosen for his life profession. Besides the immediate relatives of

Mr. Hoffman in Reynoldsville who will go to Clearfield to-day to be present at the solemnization of the nuptials, he will be accompanied by Eugene Murray and Misses Joanne Milliren and Frances Green.

Social Gathering Sunday.

A social gathering was held at the home of Mr. and Mrs. Amos Shoemaker, two miles above Sherwood, on Sunday last in honor of Mrs. Shemaker and her brother, J. W. Dean, of Reynoldsville. It was a beautiful day and all had a good time, socially, with music as a prominent feature of the entertain-Elegant refreshments were ment. served. There were present, besides neighbors, the following persons: J. M. Dean and son, Robert, of DuBois, Mr. and Mrs. Fred Austin and fami'y, S. J. Austin and wife, Addison Wells, wife and son, Mrs. E. S. Weaver and son, Alton, Mrs. S. Berkhouse and daughters, Esther and Marie Klepfer, all of

During the last few weeks much has been said and written concerning a proposed paved road to connect DuBois and Brookville via of Reynoldsville. As yet the plan is in the formative stage only, never having been officially determined upon, nor is any community or organization especially booming the project. Yet the eagerness with which the project has been received is pretty good evidence for believing that at no distant date the dream will materialize. It would not be difficult to carry

Reynoldsville Paved Road.

out the plan. The greater part of the way between DuBois and Reynoldsville is already paved with brick or macadamized, and there remains only a two or three mile stretch in Sandy township, Clearfield county, and the road from Brookville to Reynolsville. The Winslow township supervisors, with a foresight and progressive spirit which does them honor, long ago filed applications for state aid to pave the pike out from West Reynoldsville. With similar enterprise shown by the supervisors of Pinecreek township and the district out from Brookville it

would be a matter of only a few years until the finest highway in the state would wind its way through Reynoldsville.

It is unfortunate that the state aid now being extended for the building of a two mile stretch of road out from Brookville does not apply on the pike leading to Reynoldsville. Instead it goes out to the county poor farm. The commissioners of the county, individually, are in favor of doing all possible to secure the needed links in the DuBois-Reynoldsville-Brookville thoroughfare.

Fine Bunch of Prunes.

A. M. Norris, one of the prosperous farmers of Winslow township, exhibited at THE STAR office Monday morning a magnificent cluster of prunes, twentyseven in all, of large size and rich color which grew on one little stalk cut from a tree on his farm. Mr. Norris has four or five young prune trees on his place which are thriving well and if all all develop as the tree cited above has, ne will soon be able to rival the producers of prunes in California.

Griffith Reunion at Indiana.

The descendants of Evan and Sarah Griffith, of Cambria county, met on the fair grounds at Indiana, Pa., August 18th, and held a family reunion. The family now numbers upward of 250 people in Indiana and Jefferson counties and the annual reunions are very pleasant affairs. The next reunion will be held at Indiana July 4th, 1911. E. D. Davis, of West Reynoldsville, is one of the family and attended the affair versaries and remaining "just as young

Annual Cooper Reunion Held at Edgemont Park.

One hundred and fifty members of the Cooper family from various parts of Jefferson and adjoining counties, gathered at Edgemont Park, near Falls Breek Friday of last week and held their annual reunion. The day was

ideal for the event and the occasion was one of the most enjoyable the family has ever participated in. Of the original Cooper family, whose

founders settled in the Breehwoods district almost a century ago, there are now living but two representatives, the venerable Ninian Cooper, of Reynoldsvide, and his sister-in-law, Mrs. Margaret Cooper, of Beechwoods, both of whom were present Friday and enjoyed the day as keenly as the younger descendants.

The central feature of the day, as in all such affairs, was a bounteous feast spread, all having carried well filled baskets to the park. Following this a number of reminiscent speeches were made by members of the family, among them talks by Ninian Cooper. Archie McCullough, and Rev. John H. Cooper, the latter of Johnsonburg. At the business session, it was decided to hold the 1911 reunion in Edgemont Park August 19th, and the organization was maintained by the election of the following officers: President, Ray. John H. Cooper, of Johnsonburg; Secretary, A. R. Chapin. of Brockwayville; Executive Committee, Elmer Cooper, of Beechwoods, Alex Boyard, Sugar Hill, James K. Johnston, of Reynoidaville.

After Unassessed Property,

P. A. Smith, of Soldies, recently elected assessor in Winslow township, is going after the unassessed and untaxed land in the township in a way that bodes ill for some one. It has been alleged that there is a large quantity of land in the township which is either assessed too low or is not assessed at all, and 'Squire Smith proposes to make every property owner in the township make affidavit and swear in his presonce to the extent and value of their property. It is his opinion that if he can secure a just and comple appraisement of all the taxable property in the district he will confer a benefit on the

honest taxpayers of the township.

Surprise for Jas. T. Butler. That the years are rolling on was pleasantly recalled to the memory of James T Butler Tuesday night last when he returned from his place of business to find assembled at his home a score or more relatives and friends. It was a birthday party and a complete surprise to Mr. Butler, who has been jogging along through life of the cousins of the direct descendants without such events as birthday anni"Playing the Ponies" to be Seen at the

Adelphi Theater.

A GREAT NEW YORK SUCCESS.

On Thursday, September 1st, the people of Reynoldsville and vicinity will be given an opportunity to see one of the best and most talked of musical comeales of late years and one that enjoyed a record breaking season in one of New York's best theaters.

The book was written by Aaron Hoffman, one of our greatest young play-wrights, and produced by B. F. Forrester, who holds a commanding place in the theatrical world. Mr. Forrester, realizing the value of the show, immed intely decided to use the two well known and famous comedians, York and Adams, and to them probably is due the most of the credit for making this production famous.

The Reynoldsville Business Men's Association have secured at a big expense the right to use this show and are offering it to the very low price of 25, 35 and 50c, with the guarantee of entire satisfaction, and considering the class of the production these are indeed very low prices.

Throughout the play the two come dians, Pionsky and Pincus, are seen in many funny situations and the musical numbers are full of life and are of the catchy order always seen in musical comedy. The scenery and electrical effects will be in keeping with the rest of the performance.

The company consists of thirty people, all of whom have been thoroughly trained in their respective parts, and have, without a doubt, a very pleasant evening's enjoyment in store for you. The Business Men's Association will appreciate it very much to see the Adelphi Theater full to capacity on Thursday, September 1st. Tickets are now on sale at Stoke's drug store.
