SEPTEMBER AT THE SEASHORE

REDUCED RATES ACCOUNT G. A. R. ENCAMPMENT.

The rolling ocean with its boundless prospect is ever interesting; but at no time is it more enticing than during the month of September. The bathing is at its best. The sailing is ideal. The salt sea air is charged with increased invigoration, and there is a genialty about it unknown during the torrid days of summer.

Atlantic City, Ocean City, Sea Isle City, Avalon, Stone Harbor, Anglesea, Wildwood, Holly Beach, Wildwood Crest, and Cape May are all prepared to entertain with exceptional hospitality all guests who may come. The hotels are less crowded and more comfortable; the service is better, and in most instances the rates are lower.

The train service of the Pennsylvania Railroad to all these resorts will be found convenient and comprehensive.

Excursion tickets to Atlantic City will be sold at reduced fares on September 16, 17, 18, 19, and 20, on account of the G. A. R. National Encampment, good returning to reach original starting point not later than September 28. For stop over privileges and extension of return limit, to October 28, consult Ticket Agents.
